"Emerging Trends in IT: Cloud Computing and Internet of Things (IoT)"

About State level Seminar:

JSPM's Jayawant Institute of Management Studies (JIMS) Tathawade in association with Savitribai Phule Pune University (Under Quality Improvement Program) organized a state level seminar on "Emerging Trends in IT: Cloud Computing & IoT" on 29th& 30th January 2019.

This state level seminar aims at providing an opportunity to participants to enhance their knowledge and skills in the areas of cloud computing and internet of things. This seminar also provides an opportunity for developers, faculties and students to learn how to embed smart devices with technology to enable one to communicate and interact over the internet.

Objectives of the Seminar:

- To give an insights about the opportunities and challenges of Cloud Computing
- To give an insight about applications and opportunities of internet of things
- To instill the spirit of development in the areas of IOT amongst the participants
