### **“Vasundhara Abhiyan Baner, Pune”**

Trees are gifts of nature. They are the best friends of mankind. The existence of human life cannot be imagined without trees. Human beings depend largely on trees. Management students have environmental issues in their syllabus, and they also participate in many programs in relevant fields.

Learning process is always incomplete without practical implementations. On 25<sup>th</sup> June, 2022 a team of 33 students along with 3 faculty members went to Vasundhara Abhiyan, Baner-Pashan Hills and participated in the *tree plantation and plant watering*. Students have learned many important management lessons with actual field training.

Dr. Kamlesh Meshram has taken initiative in organizing the “**Tree Plantation Drive**” and JIMS Director Dr. Bipin Bankar has provided guidance and all required support as and when needed. The NGO, Vasundhara Abhiyan Baner, Pune has considered the proposal and immediately given permission. Also they have wholeheartedly supported the activity along with their NGO members.

In the morning at 8:10 AM, our team reported to Baner-Pashan Hills, Pune. Mr. Bhujbal and Mr. Rajendra Male NGO Members, welcomed the students and faculty members. He gave a brief introduction about the Vasundhara Abhiyan Baner.

The program ended with a vote of thanks proposed by Dr. Bipin Bankar. MBA and MCA IInd year students enthusiastically participated in the program. We returned to college at 11:50 AM.

To make our students aware of the importance of trees, the Tree plantation program can be conducted during every semester, as it is a very important social responsibility.
