Event Coordinator: Dr. Kamlesh Meshram (MCA)

Venue: Computer LAB, JIMS

Audience: MCA I, II, III Year Students

Guest Speaker: Mr. Swami Panjala, CEO, Elite Software Pvt. Ltd.

Objective: To get the knowledge of various web technologies and opportunities to develop and host websites in a real life environment.

Outcome: Able to develop your own website and host it on a hosting platform.

Summary Report of Website Development Workshop:

To establish Industry Institute Interaction and motivate students in project management activities, the Jayawant Institute of Management Studies, Pune have organized a small session on website Development workshop. The session was started with felicitation of the speaker Mr. Swami Panjala, CEO Elite Software Pvt. Ltd. by Director Dr. Bipin Bankar. Followed by technical sessions on various web development technologies like HTML, HTML 5, CSS, Javascript and BootStrap.

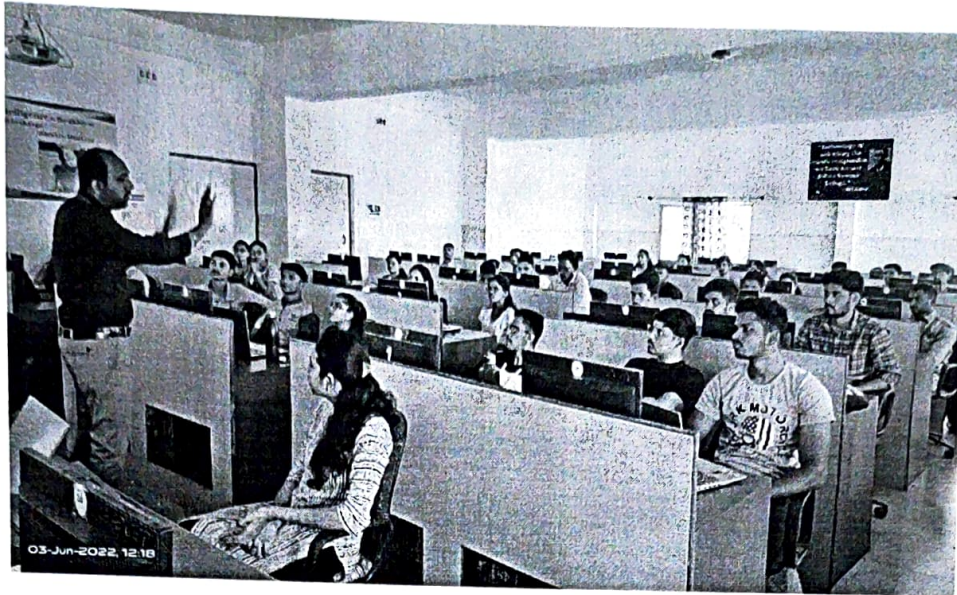

To attend the same workshop a total of 52 students from MCA Ist, IInd and IIIrd year participated.

Prerequisite: All students having innate desire to learn and to build their skills in the computer domain can participate in this course. A very basic knowledge of Web technology is recommended.

Content : organized the one day workshop for Second and Third year Students. The session was conducted by Mr. Swami Panjala, CEO and Founder Elite Softwares. In this workshop students acknowledged a complete knowledge of Web Technology.

Web technology refers to the means by which computers communicate with each other using markup languages and multimedia packages. It gives us a way to interact with hosted information, like websites. Web technology involves the use of hypertext markup language (HTML) and cascading style sheets (CSS), XML, PHP and many more. Bootstrap is the most popular HTML, CSS, and JavaScript framework for developing responsive, mobile-first web sites. Bootstrap is completely free to download and use. Web Hosting has been taught along with that every student has received their free sub-domain so that they can upload their web application.
