**Introduction:** On 20<sup>th</sup> June 2023, a group of 42 students from JSPM JIMS, MCA dept. embarked on an insightful industrial visit to ExcelR. The objective of the visit was to gain practical exposure to the operations, processes, and technologies employed by the company, as well as to understand its role in the industry. This report presents a comprehensive overview of the visit, highlighting key observations, learning, and experiences.

**About ExcelR:** - ExcelR is a global leader delivering a wide gamut of management and technical training over 40 countries. ExcelR offer the best value in training services combined with the support of our creative minds to establish a solution that suits your learning needs. ExcelR just don't train, it help in building careers and shaping up the future leaders. The company's core values revolve around innovation, sustainability, and customer satisfaction.

**Visit Highlights:** Warm Welcome and Orientation: Upon arrival, we were warmly greeted by the company's representatives, who provided an introduction to the company's history, mission, and key achievements. They also shared insights into the industry trends and challenges, setting the stage for an informative visit.

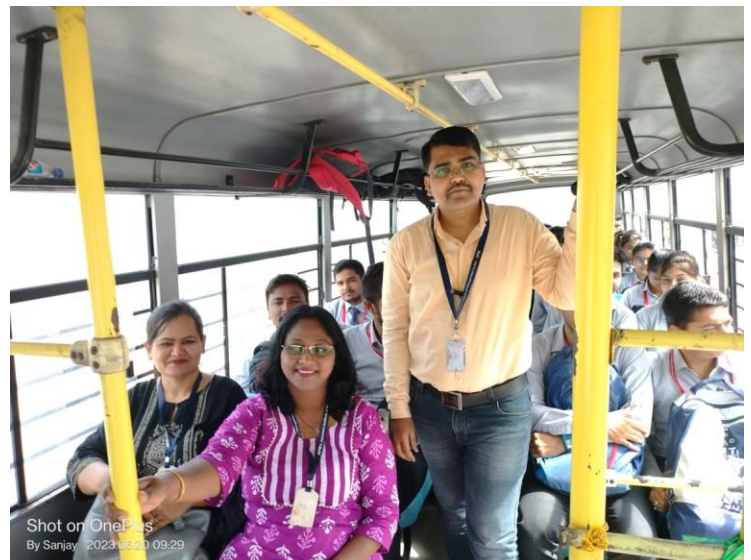

The highlight of the visit was an extensive tour of the company's various departments. We were given the opportunity to visit the company's placement, sales, EDL and development departments.

Throughout the visit, we had the chance to engage with various employees, including managers, trainers, and sales staff. They patiently answered our queries, shared their experiences, and provided valuable insights into their roles and responsibilities within the organization. Their enthusiasm and professionalism were commendable.

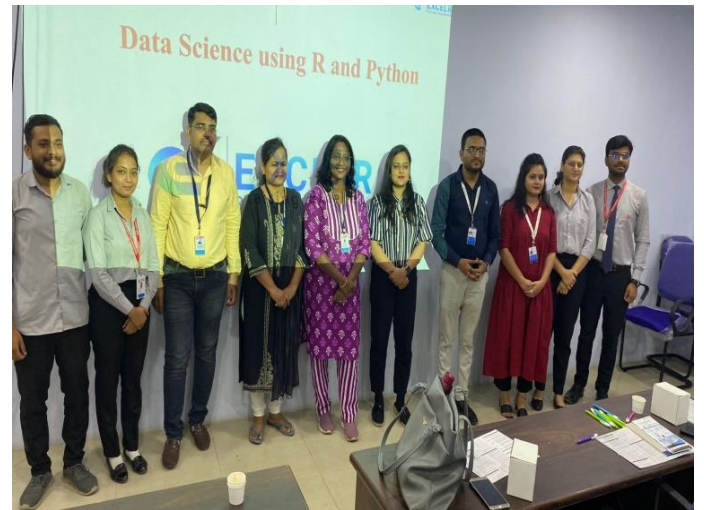

Interacting with the company's employees highlighted the importance of collaboration and teamwork in achieving organizational goals. We observed effective communication channels, cross-functional cooperation, and a shared commitment to excellence.

**Conclusion:** The industrial visit to ExcelR proved to be an enriching experience, providing valuable insights into the IT sector. Witnessing the company's operations, state-of-the-art technologies, and dedicated workforce emphasized the significance of industrial exposure in supplementing academic knowledge. We express our heartfelt gratitude to ExcelR for their hospitality, knowledge-sharing, and inspiring us to pursue excellence in our chosen fields. This visit has undoubtedly broadened our horizons and will positively impact our future endeavors.
