

## About HR Club

- HR Forum at JSPM's JIMS is a student driven club which was established formally in December 2017.
- This club is designed to help students learn more about Human Resource and what Human Resource Professionals do.
- The club promotes active participation of the students and encourages them to take lead in different activities organized by the club. HR club activities are organized on regular basis to promote team spirit and implement the HR concepts practically.

## Objective of the Club

- To bring together students interested in the field of Human Resources Management, and provide them exposure to understand the core concepts practically.
- To help students understands the recent issues and trends in Human Resources and exchange of ideas through various activities.
- To help them develop interpersonal skills needed in the corporate.
