Declaration

Add-on Courses

To meet the growing demands of Industries of a skilled person, the Institute is striving hard to develop the "Soft Skill" and "Technical Skills" of students by offering Add-on Courses.

Soft skills is a set of skills that determine how we interact with others that directly contributes to enhanced relationships, job performance and value to the market. Technical skills are skills and abilities that are relevant and helpful for professional Career. Employers demands for employees who can demonstrate good set of technical skills.

With an insight of this Institute has started offering Add-on courses since 2013-14 to MCA and MBA students.

List of Add-on courses offered:
