“One Day Workshop on Communication Enhancement
and Emotional Intelligence in association with Manuscript
Communications”

By
Mr. Manohar Nair

Held on
15th January 2018

at
JSPM's Jayawant Institute of Management Studies,
Tathawade

A Report on the session conducted on "Personality Development"

Date & Day: 15/01/2018 & Monday **Event Name:** Personality Development Session

Venue: E-Building Seminar Hall **Guest Speaker:** Mr. Manohar Nair

Event Coordinators: Prof. Aakash Sane

Students Participated: Students of MBA & MCA from JIMS

No. of Participants: 57

Objective of event:

The Basic objective behind this session was to educate and equip students with various professional skills through practical examples and activities.

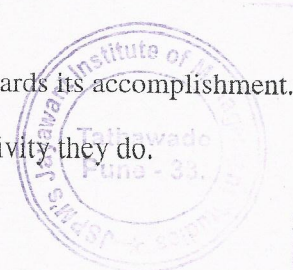

Short description:

A session on "**Personality Development**" has been delivered effectively by Mr. Manohar Nair for all MBA & MCA I students of JIMS on 15/01/2018. The session started by 11:00 AM. Coming with vast experience as a trainer Mr. Manohar Nair delivered a vibrant lecture focusing on the need of **Professional Skills** in today's competitive Business Scenario. The deliverables were discussed through various student engagement activities and Students also actively participated in the session.

Outcome of the event:

The students were exposed to the urgency of having professional skills as a prerequisite of entering the corporate world. They learnt the following key skills through the deliverables discussed in the session.

- Self-awareness : Enquiring into own competence and evaluating own capabilities and personal effectiveness
- Setting clear Goals: Setting up clear goals and working towards its accomplishment.
- Learnt the importance of following the process in every activity they do.

To,
Dr. Biplab K. Sarkar,

Dear Sir,

On behalf of JSPM group of Institutes, I am very pleased to have the honor of inviting you to our Institute for One day seminar on "Intellectual Property Rights Procedures and Policies".

Jayawant Shikshan Prasarak Mandal (JSPM) was established in 1998 with the objective of creating centers of excellence for education in the field of Engineering, Medical, Pharmacy, Management, computers etc. This is by the vision of Prof. T. J. Sawant. Prof. Sawant is strongly convinced that establishment of excellent technical institutions is the solution to the problem of development of techno-economic society. Driven by a mission of providing an excellent quality education JSPM's society has left no stone unturned in setting up Educational Institutes in Pune. At present there are four Campuses.

1. Tathawade
2. Hadapsar
3. Wagholi
4. Bavdhan (Kd.)
5. Narhe

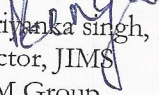

As per our previous conversation, we have arranged the session on 16/11/2017 at 10.30 a.m. We are expecting an audience of approximately 60 students and faculties from the MBA and MCA Department.

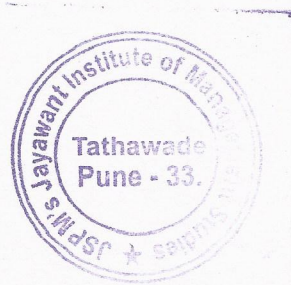

Please let us know if you will need any audio-visual equipment.

I look forward to meeting you in institute.

Best wishes.

Sincerely yours,

Dr. Priyanka Singh,

**A
Report
On
“Awareness Program on Intellectual Property Rights”**

Held on

Date: 15th Nov . 2017

Coordinated By:

Dr. Rasika Patil (MBA)

Prof. Swati Patil (MCA)

Objective of Session

The Basic Objective Behind this Session was to create the Awareness of Intellectual property right among the MBA & MCA Students and encourage the student.

To impart greater awareness about the issue of Intellectual Property Right (IPR), which has gained a special importance for all the domains of socio-economic development.

About Session

A one day seminar titled "Awareness of Intellectual property right" organized by Jayawant Institute of management studies. The program started with the Welcome Address by Prof. Akash Shane.

An intellectual property right refers to the general term for the assignment of property rights through patents, copyrights and trademarks. These property rights allow the holder to exercise a monopoly on the use of the item for a specified period.

Date	: 15th Nov 2017.
Venue	: E Building –Seminar Hall
Timings	: 10.30 am to 12.30 pm
Resources Person	: Mr. Ashutosh Prachand & Ms Ashwini Joshi
Participant	: Faculty and students of MBA & MCA from JIMS.

Resources Person Cover:

Resources Person gave excellent presentation on the topic "Intellectual property rights." The Intellectual property rights are type of property that results from creation of the human mind, the intellect. Intellectual property management starts with the germ of an idea. IP by itself neither helps nor hinders development necessarily. It is how laws, policies and practices are designed and used in different countries that determine whether IP is effective for development purposes.

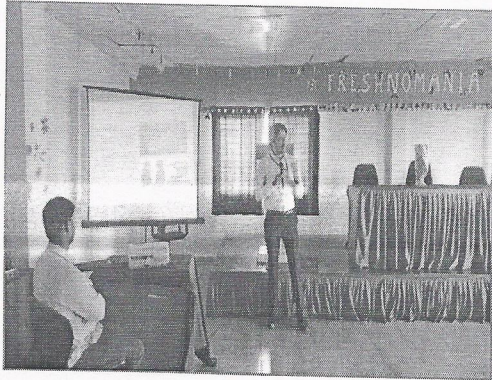

Speaker's were enforced on IP Rights mentioned on the various Indian laws available where one can take help in case of infringement of his or her IP Rights .

Sessions Highlights

1. Intellectual Property Rights and its protection through patents.
2. Basic understanding of the IPR
3. Overview of Indian Patent Act
4. Patentability criteria.

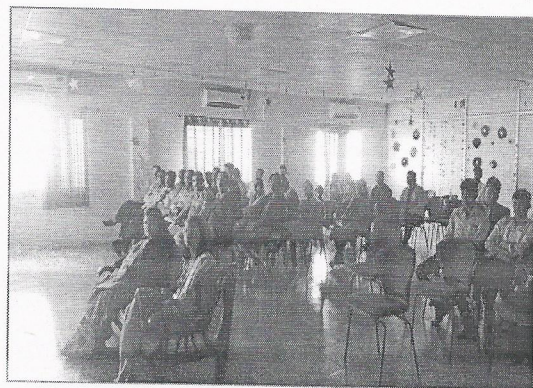

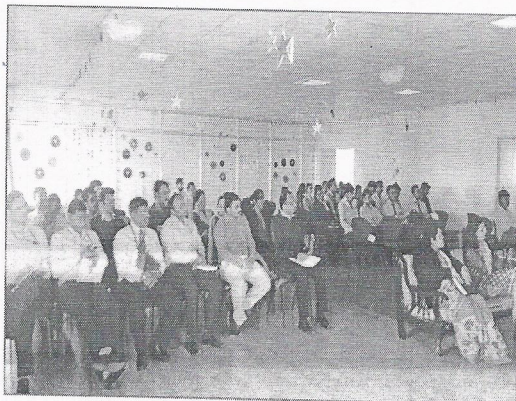

The FDP was concluded with the vote of thanks by Prof. Akash Sane .

A
Report
Of
Three Days Workshop
On
"Website Development using Latest Tools and Technologies"

Held on
Date: 12-Jan-2017 to 14-Jan-2017

Submitted by
Prof. Kamlesh Meshram

Advisors: Dr. Priyanka Singh

Event Coordinator: Prof. Kamlesh Meshram (MCA)

Venue: JIMS 'E' Building, Lab room

Audience: MCA Students

Guest Speaker: Mr. Swami Panjala, CEO, Elite Software Pvt. Ltd.

Objective: To get the knowledge of various technologies and opportunities in website development technologies.

Outcome: Student will be able to develop their own website and able to host those Web Apps in to a practical (Real Life) environment.

Summary Report of Website Development Workshop:

To establish Industry Institute Interaction and motivate students in project management activities, the Jayawant Institute of Management Studies, Pune have organized a small session on website Development workshop. The workshop was divided into 3 parts. First part was HTML and CSS, second was Bootstrap and last was editing template and deploying website. For each day each part of workshop was completed. The workshop was more of practical approach. Along with swami sir students were developing website on their PCs. Each day after the session student were told to make website in respect of technology they learned that day as a assignment.

Day 1: First day was totally focused on HTML5 and CSS3. Prior to directly jumping on a website development a basic introduction of websites was given, basic terminology of web-technology like what is server, what is website, why website, how to deploy and host a website etc. was taken. Students were taught how to make a website structure using HTML and how to style it with CSS. It was based on pure HTML and CSS only no other framework was used. This helped student to understand the structure of a website and develop a website on their own.

Day 2: Second day's session was on how to use Bootstrap. Now with good grasp on making websites with HTML and CSS, students were taught how to make website responsive with Bootstrap so that website can be accessible on both computers and on mobile phones. In this session a dummy website for JIMS was created by swami sir as well as by all students. After the session a assignment was given to student to make any one website. Students were totally allowed to make choice whether they want to make a copy of existing website or create a new one.

Day 3: Last day of workshop was consisted of template editing and deploying website. Students came to know what is a template how to download them and how to edit them. After teaching template editing swami sir taught them how to host a website. Students were taught how to buy a domain. Each student is given a sub-domain. By using id and password students can login to ftp server and upload a website to a server so that it can be accessible throughout the world.

Schedule of the Event:

Date: Thursday 12-Jan-2017

Time: 10:00 am To 1:00 pm – Introduction to web-tech and built a website with HTML

1:00 pm to 2:00 pm – Lunch

2:00 pm to 5:00 pm – style website with CSS and a assignment was given

Date: Friday 13-Jan-2017

Time: 10:00 am To 1:00 pm – Built website using Bootstrap

1:00 pm to 2:00 pm – Lunch

2:00 pm to 5:00 pm – students made replica of JIMS website using Bootstrap

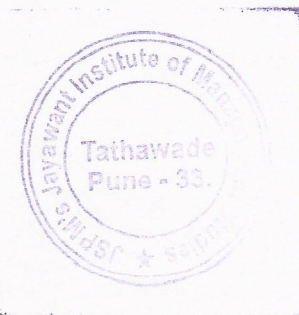

Date: Saturday 14-Jan-2017

Time: 10:00 am To 1:00 pm – Downloaded Template and edit it

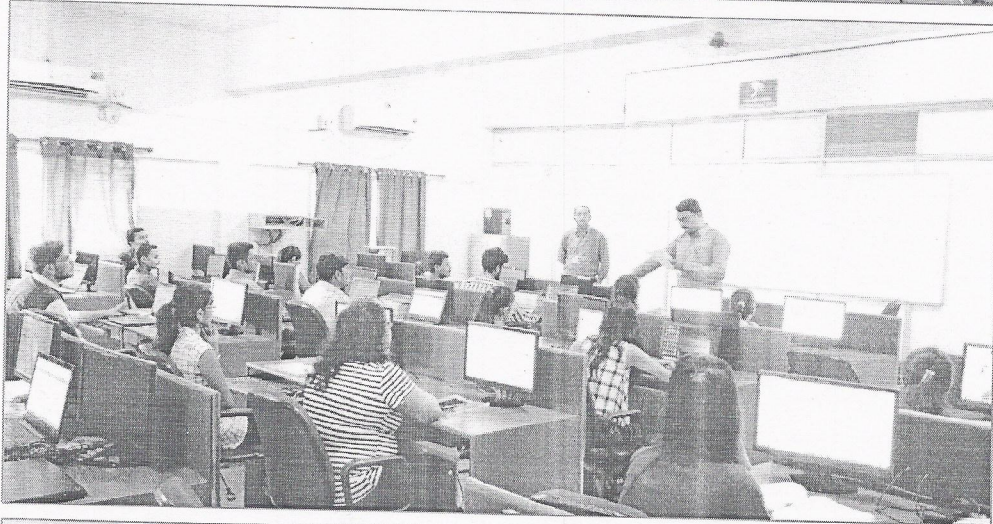

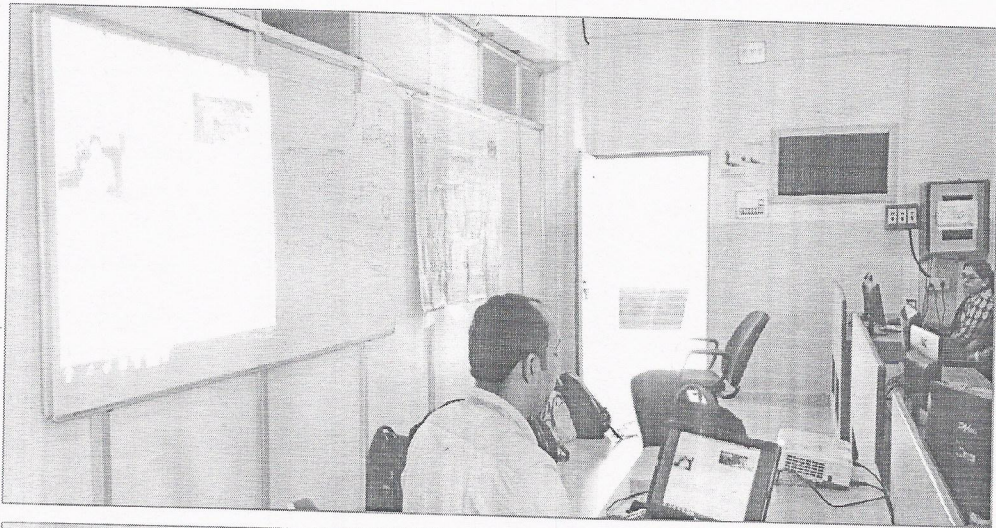

1:00 pm to 2:00 pm – Lunch

2:00 pm to 4:00 pm – username and password of ftp is given to students

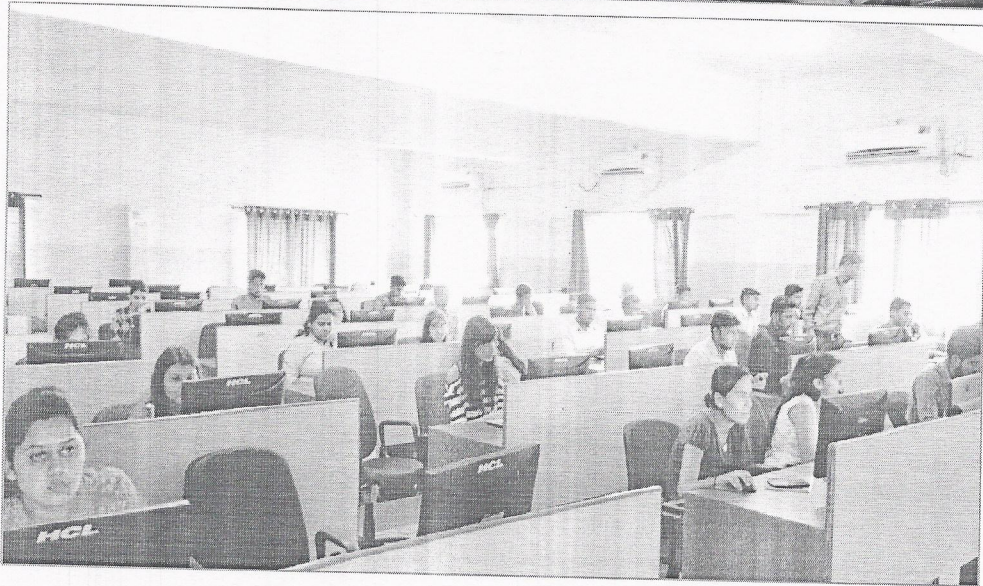

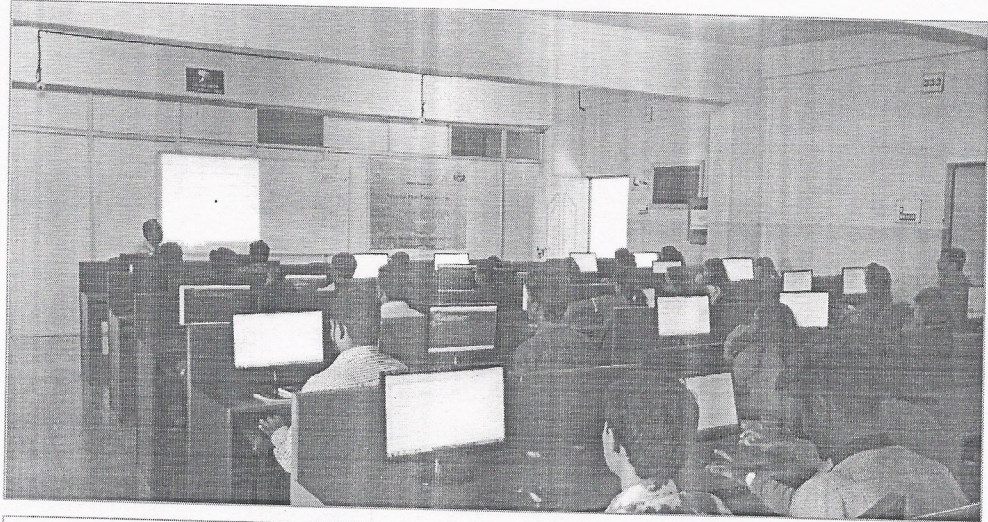

4:00 pm to 5:00 pm – final words from Mr. Swami Panjala regarding what to do next

A Report on a State Level Seminar on "LEVERAGING IT WITH GLOBAL BUSINESS MANAGEMENT"

Day and Date : Tuesday & Wednesday 29th & 30th August 2013

Venue : JSPM Auditorium & JIMS, Tathawade

Event Coordinators : Prof. Sanjay Solanki & Prof Leena Deshmukh

Participants : MCA 1st & 2nd Year students, Faculty of MCA as well as some of the interested students & faculties of MBA.

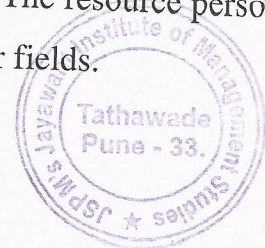

Glimpse of the Seminar:

Advances in information technology (IT) and the globalization of business are both realities and opportunities of the twenty-first century. With the advent of technological changes and e-commerce over the course of the last decades, the role of information technology in business-to business markets has become crucial around the world, with the important consequences for business, government, and the labor market. To make our student aware of all these changes we at JIMS organized this 2 days seminar.

Inauguration:

The session was inaugurated by the auspicious hands of Dr. Sanjay Kaptan (Head of Commerce Dept at University of Pune), Mr. Shree Deshpande (CEO, Radiant Mind), Dr. M. M. Puri (Director, PG program, JSPM), Prof. S.L. Bhilare (Exec. Director, JSPM) and Dr. Priyanka Singh (Director, JIMS)

The seminar was inaugurated by the chief guests and guests of honor the institute director Dr. Priyanka Singh gave a welcome speech. The resource persons for the event were the eminent and expert personalities in their fields.

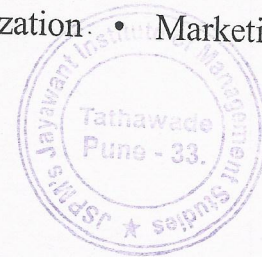

Then Dr. Kaptan gave a speech, in which he has focused to understand about creative leadership & creative followers. (gave some examples as---- competition between Japan & America) To become leader one should have clear vision, innovative ideas, and he must be proactive. There are 6-7 elements to become a good leader; almost all elements were discussed by Dr. Kaptan Sir.

Session1: Mr. Shree Deshpande, (CEO, Radiant Technologies)

Mr. Deshpande gave the Short intro on latest technology & latest operating systems such as android, mango. Then he gave his presentation in which he cover the points like Why Globalization? History of globalization, why information technology?, Information technology evolution and a case study of DELL. In which he gave the brief idea about the history of DELL, Principles followed by the DELL as well as how they have adopted the changes in market.

Session2: Mr. Sanjay Joshi (MD, Xpointer)

Mr. Joshi guides our students about the business intelligence. He gave a short presentation on same. In which he gave brief history of BI, Evolution of BI, and Components of BI, What is Business Intelligence, BI Uses in Other Industries like
Retail – size optimization based upon customer needs, Banking – understanding who their customers are, Grocery – forecasting to predict demand for products, BI Examples, BI Focus Areas such as • Financial • Clinical • Access • Service • Regulatory/Compliance • Operations • Resource utilization • Marketing • Insurance/Claims

Session 3,4 & 5 : Mr. Sandeep Rathod & Mr. Pawan Nimje (Synchron)

The session was conducted at lab of JIMS. They gave the brief 1. Introduction to Eclipse Indigo IDE, 2. Introduction of Android Application 2.0, 3. Application of Android Operating System, 4. Implementation of Android Application on Emulator, and 5. Deployment of Android Applications. The session was practically illustrated to students as Steps to Download Android SDK etc.

Valedictory Function: All the staff members of JIMS along with the Director were present for the valedictory session. Prof. Sanjay Solanki proposed the vote of thanks to everybody involved in seminar.

The event was big success as result of suggestions and support of management, teaching and nonteaching staff.

**Report on Workshop on
"Emerging trends in Information Technology Sector"**

Date: 17th August 2013

Venue: JIMS Building, Computer Lab, 1st Floor

Time: 3.00 pm to 4.30 pm

Speaker: Mr. Swami Panjala (Founder &CEO – Elite Softwares)

Brief Report:

In the recent years the Information Technology Sector has witnessed tremendous growth and it is poised to grow at an astounding pace. The coming years will also be a witness to fast, almost every day changing technological progress. The current year was a good one for technology and the Internet growth in India with many e-commerce companies doing a good business. People are turning to the Internet to buy everything, from diapers to books, houses and even groceries. Coming year, 2014, is going to be the year for new technical trends and some amazing gizmos that will easily surpass the previous ones in terms of quality and user-friendliness. Keeping this objective in mind we arranged a workshop for our MCA faculty members to keep themselves abreast of latest technological trends which are emerging fast in the IT Sector. The guest speaker was Mr. Swami Panjala who is the Founder & CEO of a software company "Elite Softwares".

Mr. Swami outlines the contents of his talk and elaborated on the following :

1) Growth estimates of IT industry in India

He gave the tentative figures of market size of the entire IT and ITES sector and also estimated the rate at which it is expected to grow in coming years, especially for Indian IT Sector.

2) Latest trends in IT sector in India

Mr. Swami then gave a brief introduction about Online retailing, cloud computing and e-commerce are going to lead a rapid growth in the IT industry. He enumerated that Online shopping is gaining popularity with the emergence of internet retailing. He went on to predict that how mobile phones and tablets are going to fuel the growth of IT sector.

He also said that how cloud computing is becoming a buzz word in the IT industry in India and it will be playing a very important role in future IT growth.

Cloud computing in coming years would entail the unique collection of services, web destinations and connectivity that could become the home of computing and communication activities.

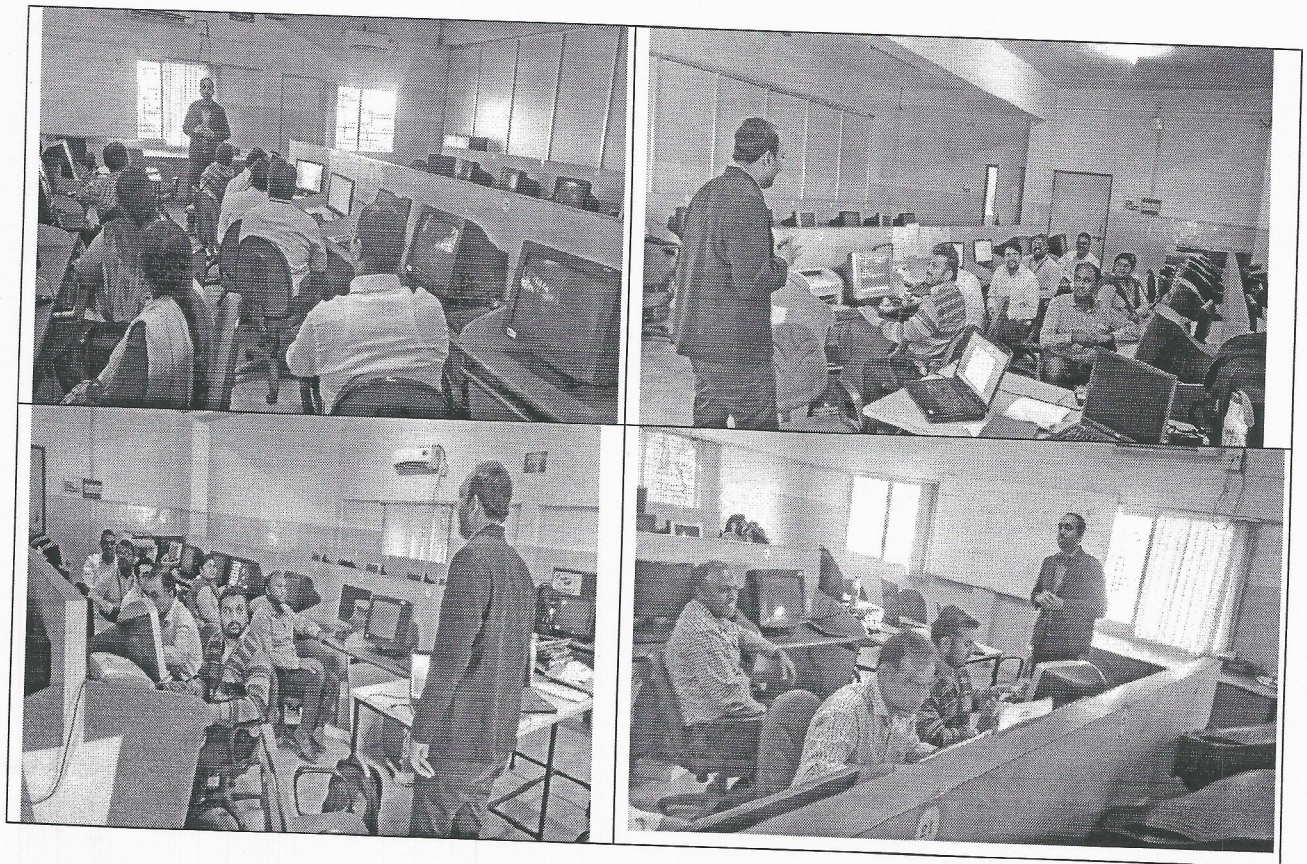

He then briefed about the basics of these technologies and encouraged the faculty members to embrace these new technologies in order to equip the students of JIMS with the latest developments in IT sector. This will help the students in becoming industry ready and for getting good jobs in the years to come.

The workshop concluded at around 4.30 pm with the objective, of remaining update with the latest trends in IT Sector, being achieved.

The vote of thanks was proposed by Prof. Sanjay Dandele.
