## 4.2 Library as a learning Resource

### 4.2.1 Library is automated using Integrated Library Management

#### System (ILMS)

Sr. No	Title
1.	Library Details
2.	ILMS Details
3.	Process of Library

## Library Details

The Library plays a central role in enhancing the quality of academic and research environment in Education institutions. **The Institute library** is a place in the Institute where huge collections of academic books, journals, magazines, research projects, rare books, other knowledgeable books and newspapers are kept. These books are made available to the students to increase their knowledge and understanding on various subjects. The college library is an important hub of student life. There, student can check out books, conduct their research, find a quiet place to study, and maybe even flip through magazine. The students can extend their search with use of internet, e-books, e-journals etc. made available in the digital library. The Institute library exhibits positive impact on the academic achievement of the student. Students can perform better during examination and placement as students are explored to the knowledge through various means.

## JIMS Library

### Library Services:

JIMS Central Library provide different types services to the student and Staff Members such as
