COURSE OBJECTVE:-

❖ The objective of conducting the soft skill course was to give each student a realistic perspective of work and work expectations.

    ❖ To help formulate problem solving skills.

    ❖ To guide students in making appropriate and responsible decisions.

    ❖ To create a desire to fulfill individual goals.

    ❖ Make students aware about Cognitive Skills which are required in their professional life.

    ❖ To develope analytical skills through small group problem solving activities.

    ❖ To Increase the capacity of listening which is a form of class participation.

Introduction:-

The need for giving emphasis on the soft Skill Development, especially for the educated youth has been highlighted in various forums. Unfortunately, our country's current education system does not give any emphasis on development of soft skills. As a result, most of the educated unemployed youths are found wanting in this area, which is becoming their Achilles heel.

As India is on the path of economic development and the share of service sector's contribution to the GDP of the country is increasing (53% of GDP) it is becoming imperative that Government of India along with other nodal agencies plays an important role in providing employable skills, with special emphasis on Soft Skills.

The key features of soft skill development are as:-

- ✓ Communication Skills.
- ✓ Presentation Skills.
- ✓ Leadership Skills.
- ✓ Teamwork.
- ✓ Communication Skills.
- ✓ Problem Solving Skills.
- ✓ Work Ethics.
- ✓ Flexibility/Adaptability.
- ✓ Interpersonal Skills.

Total Number of Participant: 69

Name of Resource Person: Ms. Ruchika

Name of Course Coordinator: Prof. Aditya Katkar (Asst.Professor Dept. of MCA)

Some Glimpses of the Course:

Ms. Ruchika explaining the need of soft skill

Trainer shares her experience with attendees

COURSE OUTCOMES:-

❖ Develop effective communication skills.

❖ Develop effective presentation skills.

❖ Development of leadership skills to improve teamwork, creativity, efficiency & productivity.

❖ To enhance project explanations, self-confidence.

❖ Students were able to participate in group exercises which they had learnt during the course.

❖ Students were able to recognize stress symptoms & develop stress deflecting strategies

"Digital Marketing"

Academic year: 2017-18   **Session: July 2017- December 2017**

Introduction

The concept Digital marketing refers to "advertising delivered through digital channels such as search engines, websites, social media, email, and mobile apps". The need for giving emphasis on the Digital Marketing and services offered from Digital Marketing, especially for the educated youth has been highlighted in various forums. Unfortunately, our higher educated youth does not give that much emphasis on digital marketing. As a result, most of the educated unemployed youths are found demanding in this area, which is becoming their Achilles heel.

As India is on the path of economic development and the share of service sector's contribution to the GDP of the country is increasing (53% of GDP) it is becoming imperative that Government of India along with other nodal agencies plays an important role in providing employable skills, with special emphasis on Digital Marketing.

The key features of digital Marketing are:-

- ✓ Search Engine Optimization (SEO).
- ✓ Content Marketing.
- ✓ Social Media Marketing.
- ✓ Pay Per Click.
- ✓ Marketing Automation.
- ✓ Email Marketing.
- ✓ Online PR.

As digital marketing are becoming more established and proficient it is adopted by most of the campaigns and marketing plans. It is the latest aspect students must know to grab the ample of job opportunities available.

VOCATIONAL EDUCATION TRAINING (VET)

NOTICE

All the students of MCA-2nd year and 3rd year are hereby informed that Institute is arranging a Certificate course "**Python Programming**" from 20th December 2015 – 30th December, 2015. Students fascinated to take part in this course should register their names on or before 30th November, 2015 to the undersigned.

Prof. Aditya Katkar
Course Coordinator

Dr. Priyanka Singh
Director

About Vocational Education Training

VET is also known as career and technical education. It helps to acquire, facilitate knowledge, skills, and values to upgrade in technological changes with or without the help of an educator. VET course provides a training that emphasizes competency skills needed to cope up technological as well as other aspects to fulfill the need of industry. It also provides an edge in their job search.

About Institute

JSPM's Jayawant Institute of Management Studies (JIMS) is approved by All India Council for Technical Education, New Delhi and the Courses MBA and MCA are affiliated to the University of Pune. From a modest beginning in 2004 Jayawant Institute of Management Studies (JIMS) has now grown into a fully integrated management and computer institute. The guiding philosophy of the institute is 'creation of knowledge and influencing management practices.

Content and Duration

The course introduces computer programming using the Python programming language. Upon completion, students should be able to design, code, test, and debug Python language programs.

Duration:-33 Hrs. (3 hrs. Daily)

Registration

The MCA students of the Institute can register their names to the course coordinator. The registration for the course is free of cost.

Course Start Date: 20th December, 2015

Methodology and Course Delivery

The focus of the programme is on "performing" and not on "Knowing". Lecturing will be restricted to the minimum necessary and emphasis shall be given for learning through active practical sessions. Demonstrations using different models, audio visual aids and equipment will be used intensively.

30% Theory, 70% Lab.

Registration

The students of MCA can register their names to the course coordinator on or before 30th November, 2015. The registration for the course is free of cost.
