**“Tree Plantation and Soil Sloping Program”
Under Corporate Social Responsibility**

7th Sept., 2013

Arranged by:- Prof. Kumar B. Pawar

"Tree Plantation and Soil Sloping Program"

Under Corporate Social Responsibility

(7th Sept., 2013)

In association with

"Green Hills Group"

Trees are gifts of nature. They are the best friends of mankind. The existence of human life cannot be imagined without trees. Human beings depend largely on trees. Management students have environmental issues in their syllabus, also they participate many programs in relevant field.

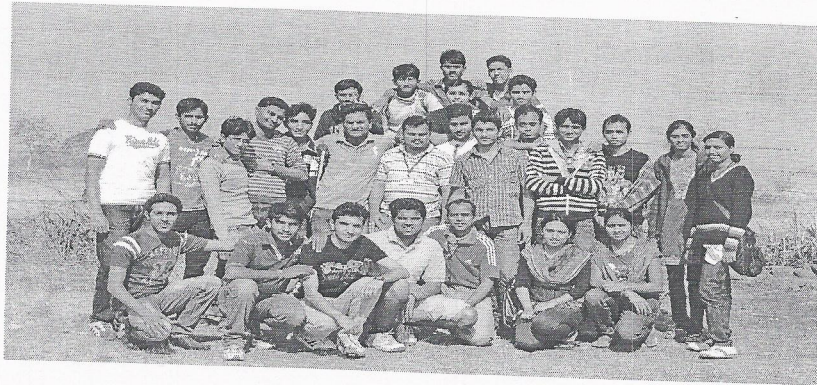

Learning process is always incomplete without practical implementations. On 7th Sept., 2013 a team of 77 students along with 4 faculty members went to Chatushrungi Hills and participated in the ***Tree Plantation and Soil Sloping Program***. Prof. Kumar Pawar took the initiative in organizing the ***"Tree Plantation and Soil Sloping Program"***. The NGO, Green Hills Group, Pune considered the proposal and immediately given permission. Also they have wholeheartedly supported the activity along with their NGO members.

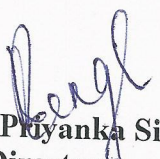

In the morning 9:15 AM, our team reported to Chatushrungi Hills, Pune. Mr. Amardeep Gaikwad, NGO Member, welcomed the students and faculty members. He gave brief introduction about the Green Hills Group.

Students enthusiastically participated in the program. Students have learned many environment management lessons with actual field training. They planted and watered around 50 plants.

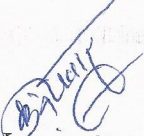

The program ended with vote of thanks proposed by Prof. Kumar Pawar. We returned to college by 3:00 PM.

To make our students aware of the importance of trees, the Tree plantation and soil sloping program can be conducted during every semester, as it is very important social responsibility.

Activity Report

On

“Waste Segregation Awareness Program”

**Venue: Mangaltirth Co-operative Housing
Society Ltd., Shinde Wasti, Ravet 412 101, Pune”**

Date: 2th Feb. 2014

Report on Waste Segregation Awareness Program at Mangaltirth Co-operative Housing Society Ltd., Shinde Wasti, Ravet 412 101, Pune.

Objectives:

- 1) To educate residents of Mangaltirth Society about Waste Segregation into Wet and Dry Waste and encourage them to practice it in future also.
- 2) To involve our students and faculty members in understanding our role and responsibility as a responsible Corporate Citizen
- 3) To involve students and faculty members to participate in a social cause.

Organized by: JIMS & Mangaltirth Co-operative Housing Society Ltd

Program Coordinator: Dr. Bipin Bankar and Prof. Leena Deshmukh

Date: 02 Feb. 2014

Participants: 13 students of MBA & MCA and 3 Faculty Members

Brief report:

According to a report - Waste management rules in India are based on the principles of "sustainable development", "precaution" and "polluter pays". These principles mandate municipalities and commercial establishments to act in an environmentally accountable and responsible manner—restoring balance, if their actions disrupt it.

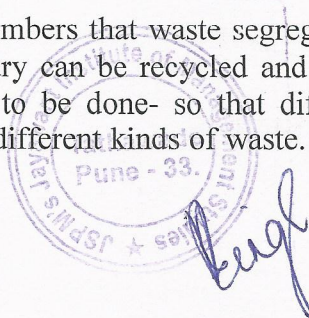

Our country is passing through a phase of rapid urbanization and with this the nation faces a massive waste management challenge. It is estimated that over 377 million urban people live in 7,935 towns and cities and generate 62 million tons of municipal solid waste per annum. Only 43 million tons (MT) of the waste is collected, 11.9 MT is treated and 31 MT is dumped in landfill sites. The key to efficient and successful waste management system is to ensure proper segregation of waste at source.

To solve this problem we as a responsible educational institute and a sensible corporate citizen we decided to contribute by whatever little means we could and hence we decided to approach Housing Society near our institute and educate them about the importance of Proper Segregation of Household Waste into Wet and Dry Waste.

We approached Mangaltirth Co-operative Housing Society Ltd. and received a positive response from them.

The Team went to this society on 2nd February 2014 (Sunday) at around 9 am, since it was informed to us that on Sunday maximum number of members would be available.

Initially the students explained to the members that waste segregation basically means keeping wet and dry wastes separately; so that dry can be recycled and wet waste can be composted. They explained why segregation needs to be done- so that different processes- composting, recycling, incineration can be applied to different kinds of waste. Examples of different kinds of dry waste were given to them.

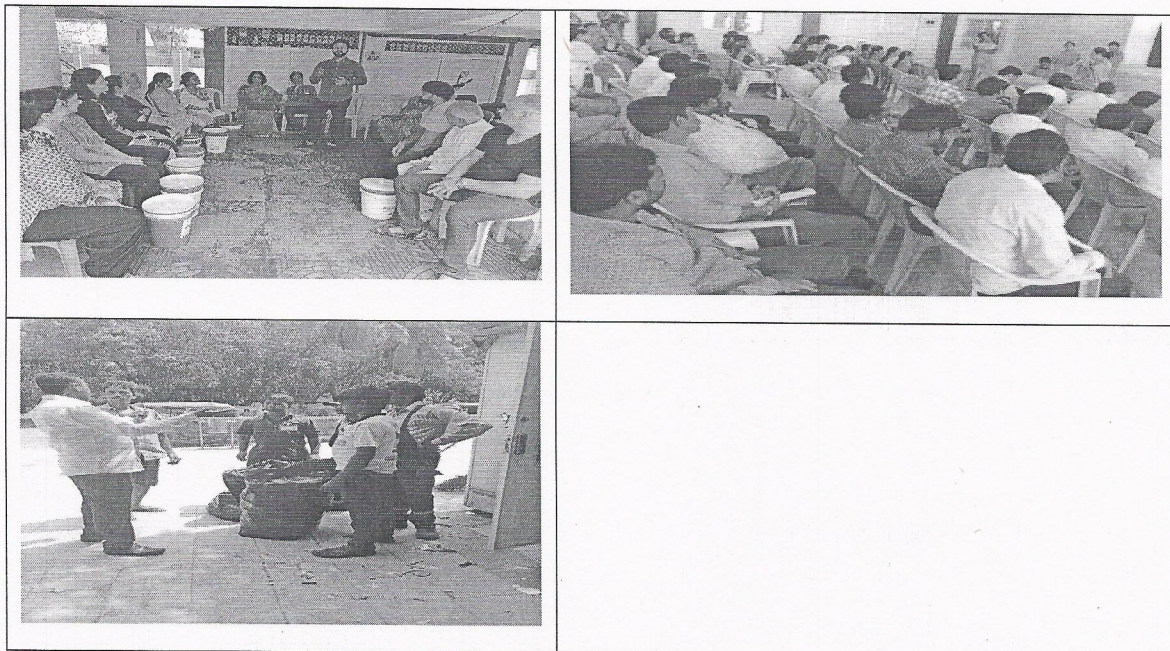

Further it was suggested that how to separate the waste material viz. keeping separate containers for dry and wet waste in the kitchen, keeping two bags for dry waste collection- paper and plastic , for the rest of the household waste etc.

We requested them to explain waste segregation to their family members and staff in the society building to also understand this important issue.

We also requested them that if they are in possession of old clothes, shoes, toys etc and if they are still in usable condition, they should be given to some organization that collects them. We offered them our services in case they require it in future.

The suggestions were well accepted by the society members and they appreciated the students for being involved in such a noble cause.

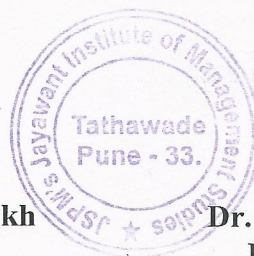

Prof. Gorakh Wakhare proposed vote of thanks.

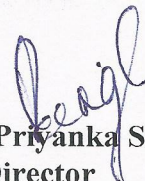

Student Participants : 1) Khandu Kamble 2) Asmita Deokar 3) Kapilkumar Waware 4) Ravikiran Dhule 5) Vishwas Kale 6) Santosh Hankare 7) Anjali Fulpagar 8) Varsha Borude 9) Akshay Chavan 10) Ramdas Bhalerao 11) Priyanka Kale 12) Pooja Daware 13) Rajneesh Kumar Pandey

SUPPORTING STAFF

Mr. Ravi Surve
Mr. Patekar

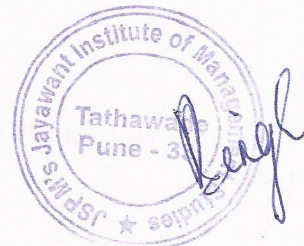

OUR GUIDE

The team of Green Hills NGO was our guide in this program. The team members were:

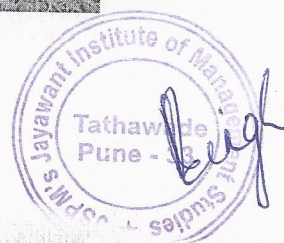

Mr. Sanjay Aathavale
Mr. Shivaji Bhosale
Mr. Subhash Raste
Mr. Shrirang Dedge
Mrs. Nandini Devi

OBJECTIVE

The main objective behind this program was to do an activity through which we can contribute our efforts to make this world a better place to live. So the program of Go Green came into action.

SOME MEMORIES

SHORT DESCRIPTION

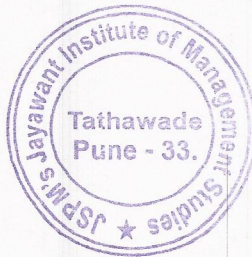

This program of "Go Green - A Step Towards Nature" was a tree plantation activity held at Vandevi Mandir, Karve road which was decided by our coordinator and the team of Green Hills group. Our team consisted of 4 coordinators 2 members of supporting staff and 32 students. We started from institute at 9:30 am and reached the venue at 10: 30 am.

The Green Hills group was already there. One member of green hills group Mr Sanjay Aathavale introduced us with his team plan behind starting this NGO Green Hills Group and their objective of Go Green. He introduced us with his team which was mostly of retired person. We met an old looking young man Mr. Shivaji Bhosale who works dedicatedly towards his passion & still working hard to change this world into and beautiful one. We were been divided in groups & we contributed a bit towards the GREEN HILLS group.

CONCLUSION

The opportunity given to us towards nature was a motivating experience. With the help of this we came to know the importance of preserving our eco-layer so that we can create a GREEN and POLLUTION FREE nature for coming GENERATION.

A Report on

“Women’s Day – Education- a Weapon”

Date – 8-3-2015

Objective-

The aim of this event was to create awareness about literacy amongst Women (House maids) in a residential society.

Brief –

The aim of the event was to celebrate Women’s Day. JIMS celebrated Women’s Day by visiting residential society wherein housemaids come for doing household work. The volunteer faculty members of JIMS went to the society and gave session to the housemaids on importance of education for women. The faculty members delivered session to housemaids on how education can change their fortune for good. They were told to let their kids study and not force them in to working like their parents.

There were few maids who were teenagers and left studies to take up house hold work, so our faculty members counseled them to restart education. They motivated them and suggested ways that could be implemented so that they balance their work and education.

Outcome –

There were around 18 maids who attended the counseling. They felt very motivated and came up with their personal queries which were solved by the volunteers.

Report on

Gandhi Jayanti Celebration

About the Event: Gandhi Jayanti is one of the important national events of India celebrated every year on 2nd of October, a birth anniversary of Mahatma Gandhi. The birth anniversary of Mahatma Gandhi has been declared as International Day of Non-Violence by The United Nations General Assembly on 15th of June 2007. Gandhi is celebrated as the national holiday all through the India however as International Day of Non-Violence all through the world.

Brief: The College celebrated Gandhi Jayanti on 2nd Oct, 2015. All teachers, students & non-teaching staff attended the event. The celebrations for Gandhi Jayanti started welcoming all the teachers and students explained the significance of the day. After the lamp-lighting a highlighted presentation on Gandhiji's childhood and his childhood stories was made by students.

Mr. Yogesh Pawar student, narrated a beautiful conversation of Gandhiji & Bhagat Singh post-independence.

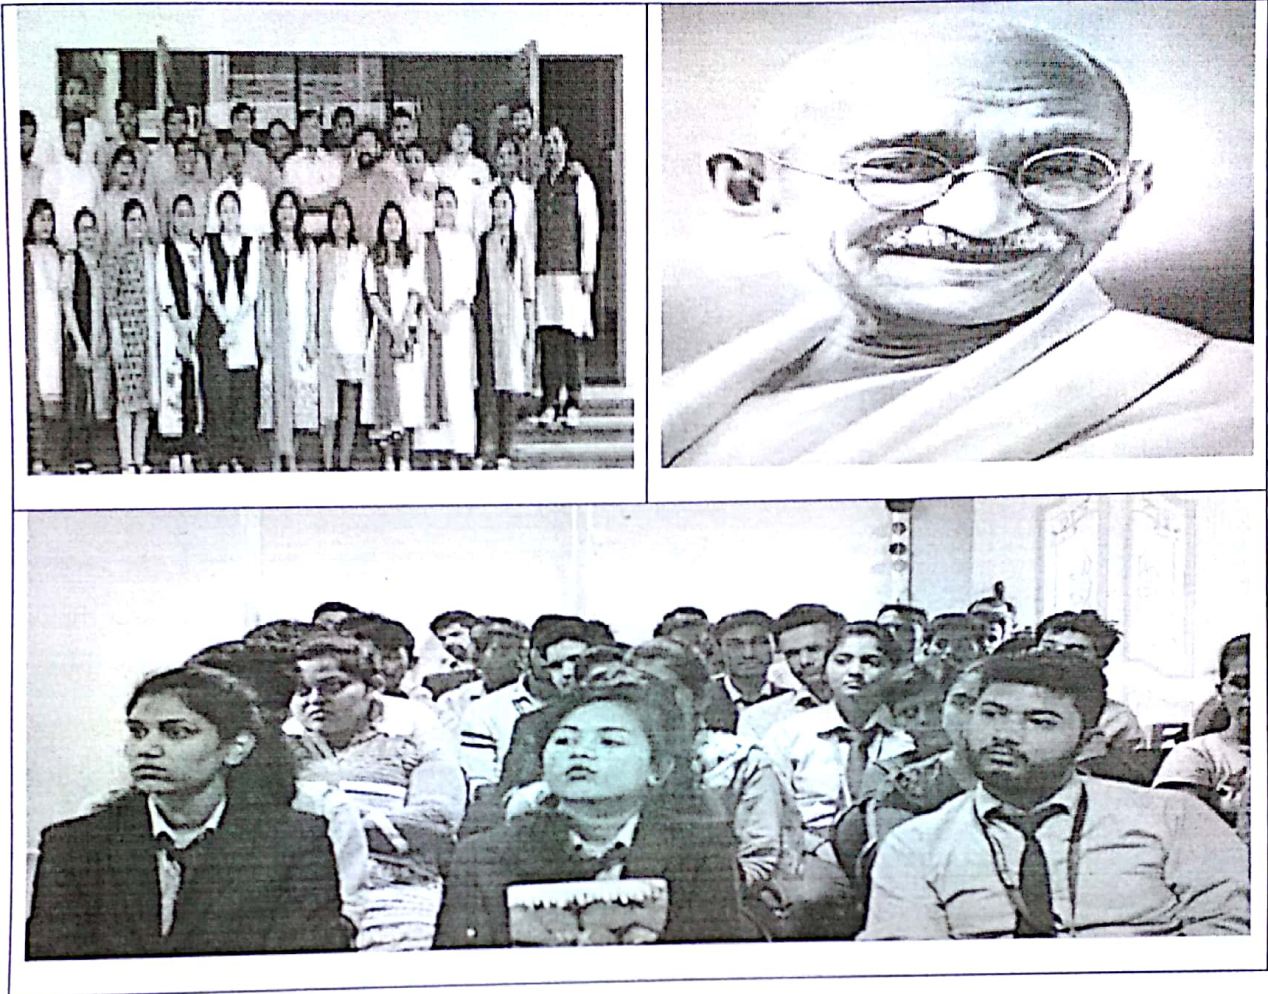

The students laid emphasis on non-violence with the thought "Anger is the enemy of non-violence and pride is a monster that swallows it up". The students showed through the skit how Gandhi Ji's teaching is still relevant in our lives. The assembly was finally concluded with the National Anthem.

“Dusshera Celebrations”

Objectives of the event:

- To aware student about the importance of Dusshera as a festival as a life guiding event

Outcome of the event:

- Day is celebrated with great fervor and energy with College staff and student.
- Small program was conducted for students to get knowledge about the history of India

About Event:

It is believed that the celebration of Dusshera started in the 17th century, when the king of Mysore ordered the celebration of the day on a grand scale. Ever since, the day is celebrated with great fervor and energy. There are a lot of mythological tales associated with the day. According to Ramayana,

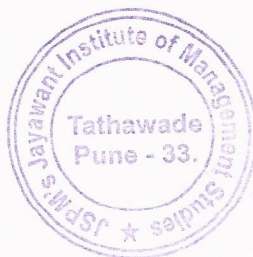

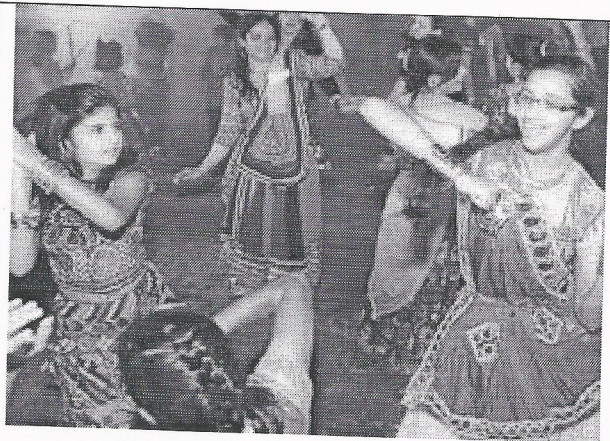

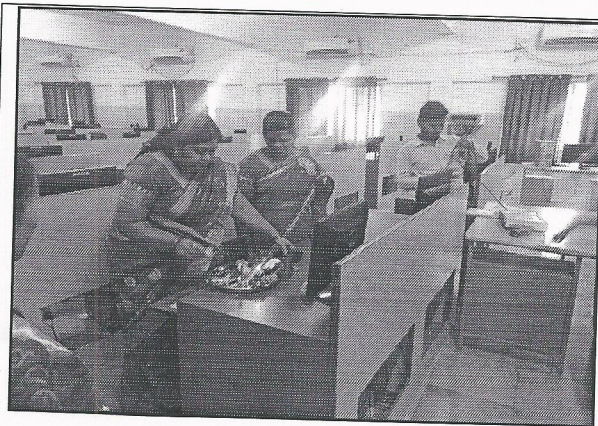

Students of MBA & MCA celebrated Dusshera in college with great enthusiasm and energy. In the morning we all assemble in the Library Colleges for Saraswati Pooja after that all faculty Staff members and students celebrated Dusshera by worshipping Books, Computers and other assets of the institute.

In the afternoon session Dandiya, a traditional dance was presented by the students in a graceful manner. Colorful attire worn by the dancers and the sticks they carried was appreciated by all.

Activity Report on

“Anti Tobacco Awareness Program”

@

Sutarwadi Slum Area, Pashan, Pune

Day & Date : Tuesday, 19th January 2016.

Activity Report

Activity Name : Anti- Tobacco Awareness Program

Day & Date : Tuesday, 19th January 2016.

Time : 4 pm to 6 p.m.

Venue : Sutarwadi Slum Area, Pashan, Pune

Event Co-ordinator : Prof. Mangesh Javkhedkar

In Association with : M/s. REAL VALUE Consultants Pvt. Ltd.

Program Objective: 1) To create awareness about ill-effects of consuming Tobacco.
2) To help students in their overall development as better human beings.

Program Outcomes: 1) Increased awareness amongst the residents about the ill effects of consuming tobacco
2) Students gain confidence to speak and convince general public
3) Students are able to understand the social evils within the neighborhood community.

In order to create awareness amongst the labor class regarding ill effects of consuming tobacco we decided to visit Sutarwadi Slum Area in Pashan and try to educate and desist them to stay away from Tobacco.

Students (17) of MBA and MCA with Faculty members (3) and employees of REAL VALUE (2) went to the Sutarwadi area and started reaching out to families in that Slum.

A street play was performed by our students for depicting the ill effects of consuming tobacco.

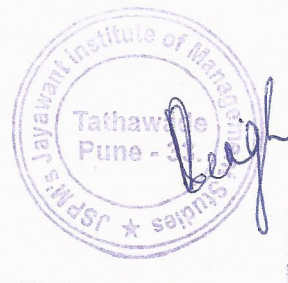

After some time people started gathering near us and we started interacting with them. Slowly the topic was taken to chewing of Tobacco and the ill effects of it.

They were made aware of the evil effect of tobacco addiction on the individual as well as on the family members. It leads to many family problems.

To get rid of these addictions we suggested that, they perform Bhajan or Kirtan collectively on a daily basis .These kind of activities have a soothing effect and they bring about a positive change.

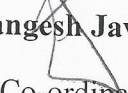

For habitual persons we suggested them to attend free counseling and visit to rehabilitation center.

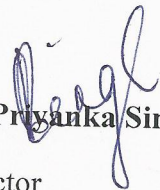

They promised that they will not indulge in any addiction and also will help others to desist from getting addicted.

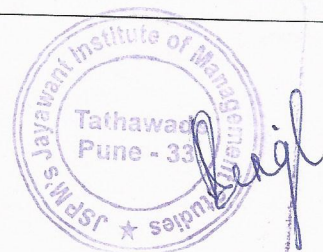

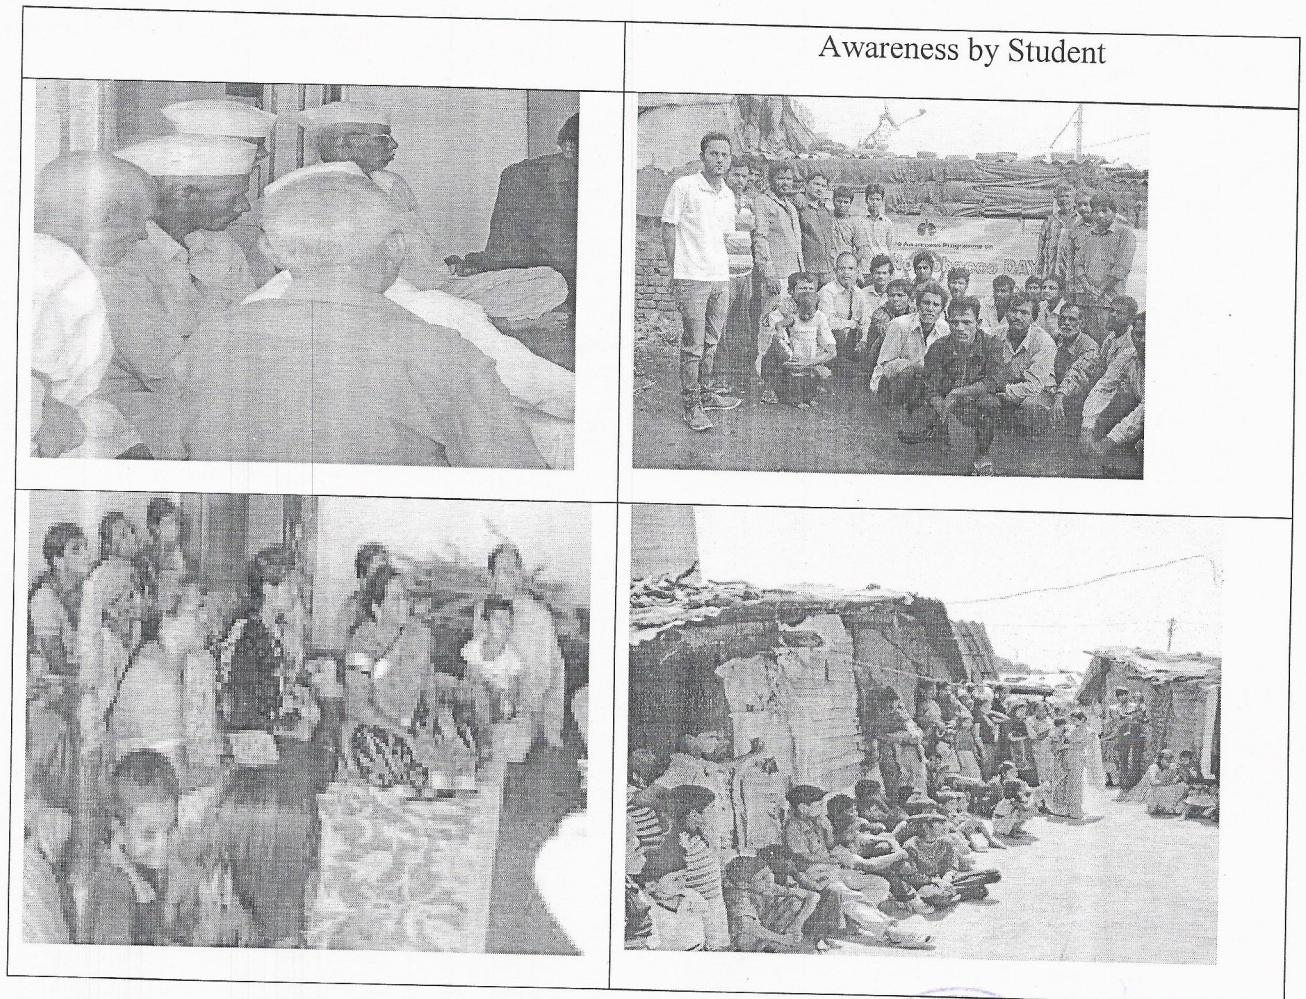

Student volunteers : 1) Nitin Mahajan 2) Pankaj Kulkarni 3) Rahul Jadhav 4) Pratik Sasnani 5) Dinesh Sonawane 6) Shantiling Giram 7) Abhijit gadekar 8) Sitaram Hadkar 9) Sagar Mali 10) Abhishek Kechale 11) Vaibhav Shinde 12) Somnath Shinde 13) Vijay Kakde 14) Vivek Yadav 15) Sandhya Katkar 16) Supriya Shinde 17) Sujata Galphade

"Women's Day - Highlighting the powerful women of the World"

Date & Day: 08-03-2016 & Tuesday

Event Name: "Women's Day - Highlighting the powerful women of the World"

Venue: E-Building seminar Hall

Event Coordinators: Dr. Rasika Patil and Prof. Leena Deshmukh

Students Participated: Staff members and Students of MBA and MCA

Objective of event: The objective of the event was to celebrate women's day and get to know about the influential and powerful women of the world.

Short Description:

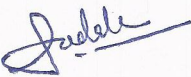

Women's Day is celebrated as an honor to female category of the World. It acts as a focal point in the movement for women's rights and equality. The Women's Day was celebrated in Seminar Hall. The session started with felicitating Dr. Priyanka Singh, Director JIMS and Prof. Shweta Padale (HOD MCA). This was followed by the videos that were shown to the students. The videos consisted of small movie clips that were based on great women personalities of the world and their life, their struggle to win over, their achievements.

Outcome:

Videos on the life of various women personalities were shown to the students that were very encouraging to them. The videos included life segments of Simon Tata, Chanda Kochar, Indra Nooyi, Sindhu Tai Sapkal. Many students got to know about the personalities for the first time and so it was very informative for them.

Gender Sensitivity Through Movie Making

Date: Saturday 10-Sept-2016

Objective of the event:

1. Sensitizing students about Gender Equality and treating Women with respect
2. Enhancing creative thinking among the students about the said issues by making short films.

Event Report :

The day started with inauguration ceremony at the hands of the Judges. Judges for the said event were Prof. Shweta Padale and Prof. Sanjay Dandele. It was followed by the felicitation of the judges. The program started with welcome speech by Prof. Kamlesh Meshram, who welcomed all the Judges, Teaching Fraternity, Non Teaching Staff, Participants, and students from other JSPM Campus College Students who were present for this event. He explained the theme to the audience and Judges and also explained the rules and regulations.

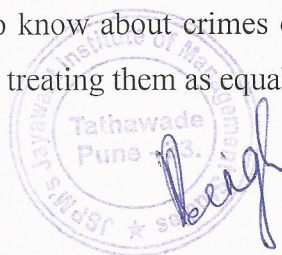

After this the participants started showcasing the films to the judges and the audience.

Evaluation has done by the judges on the basis of three criteria **Creativity, Content of the film and Originality.**

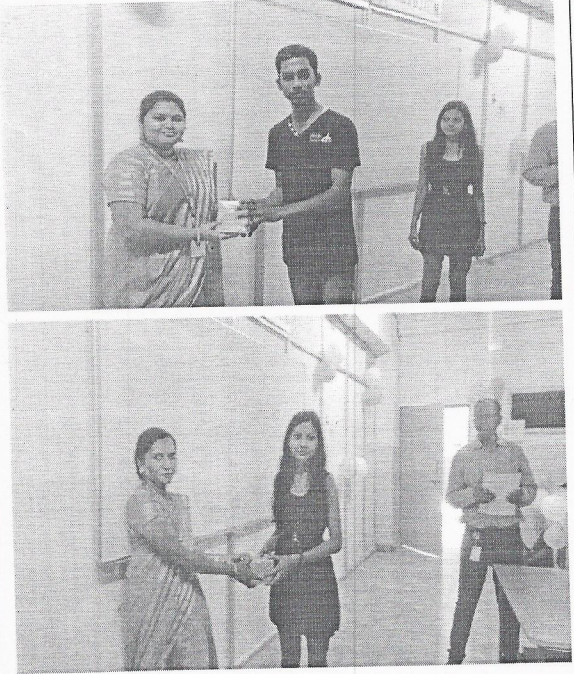

After watching all the films Judges evaluated and announced the winners. They gave away the prizes to them.

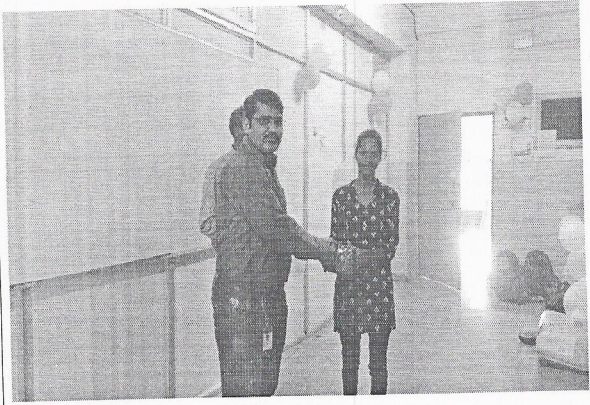

The event was coordinated by Prof. Kamlesh Meshram. The event concluded with vote of thanks.

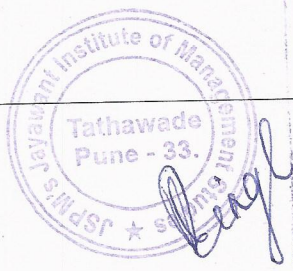

Outcome of the event: Participants as well as the Students in the audience experienced and learnt about the Gender Inequality in the Society and also came to know about crimes committed against Women. They were also sensitized about respecting women and treating them as equals in every walk of life.

Those who participated in the event learnt the skills of creativity and how to express different thoughts in the form of short film. Also they learnt the skills of presentation, compiling, editing and movie making software.

A Report

On

**“Creating Awareness towards Eco-Friendly Shri Ganesh
Immersion”**

Held on

Date: 16th September 2016 at Pawana River Ghat

Event Coordinator: Prof. Mangesh Javkhedkar (MBA)

Venue: Pavana River Bank

Date and Time : 16th Sept. 2016 : 9.30 am

Participants: MBA and MCA Students of JIMS and Students of DIMR

Jointly Coordinated with: Students of Dnyansagar Institute of Management and Research, Pune

Objective:

- To encourage people to use eco friendly ways for Immersion of Shri Ganesh Idols.
- To encourage people to use eco friendly Shri Ganesh Idols from subsequent years.

Outcome:

- More number of general public using Water Tanks to immerse Shri Ganesh Idols.
- Lesser pollution in River Water

Report:

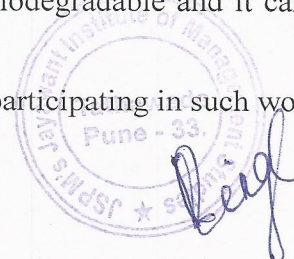

Shri Ganesh, the elephant-headed son of Lord Shiva and Parvati is widely worshiped as the god of wisdom and prosperity. He is worshiped first before any auspicious work. Shri Ganesh Festival is celebrated all over India and it is the main festival of Maharashtra. Traditionally, the Ganesh sculptors make idols of and after worshiping it in the festival it is returned back to the Earth by immersing it in a nearby water body. Due to use of Plaster of Paris and some non-degradable elements, environment is getting effected. The most serious impact of the Shri Ganesh festival on the natural environment is, that the immersion Plaster of Paris getting into rivers and the water bodies. The toxic waste kills plant and animal life in the water. After the submerging of Ganesh idols, non-degradable substances of idols are appearing at the shore of lakes and sea. To minimize the impact on environment, we wanted to promote Eco-friendly Shri Ganesh celebration campaign.

Our Institute along with Dnyansagar Institute of Management and Research (DIMR) decided to educate those people who come for Ganesh Immersion on river. In all 24 students and 1 faculty member from our Institute and 6 students from DIMR, went to nearby Pavana River Ghat where Water Tanks were already placed by the Government Officials. The students then started persuading people to use water tanks to immerse their Ganesh Idol instead of immersing it in the river. Many a times Ganesha may leave everyone's home after the festivities, but the partially dissolved idols are found floating in the water bodies, which is disrespectful to the Lord Ganesha.

They were counseled them about the adverse effects of immersing the Ganesh Idol in the River water which causes many environmental issues like water pollution thereby causing various diseases.

Also the people who were having Ganesh Idols, made from traditional materials, were informed about eco friendly Ganesh Idols available in the market which cause lesser or no environmental issues. These Eco-Friendly Ganesh idols are completely biodegradable and it can be immersed even in a bucket of water at home.

People were quite happy that college students are actively participating in such worthy cause.

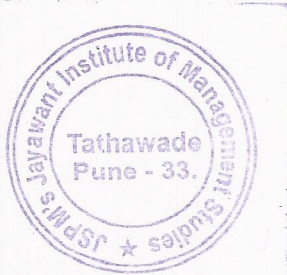

After spending nearly 3 hours we returned from the Ghat having achieved our objective.

Presents

Street Play

On

“HELMET PLEASE”

Date : 24th September 2016

Venue : JSPM Campus Premises

Activity Report

Day & Date: Saturday, 24th September 2016

Time: 1.00P.M. to 4.00 P.M.

Venue: JIMS(E- Building), Ground Floor, Entrance

Name of the Invited Judge: Dr. Neeta Kuche, Ph.D. (Comp Mgmt), HoD, Pratibha College, Chinchwad

Objective:

To create awareness about the importance of wearing HELMET, by way of Street Play, among the students of JSPM Tathawade Campus who commute by Two-Wheeler Vehicles.

About Event

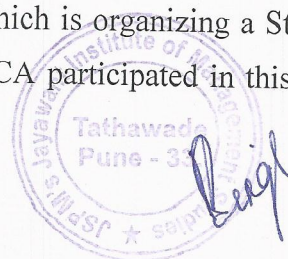

Head Injuries in a Road Accident are the most notable cause of deaths. These can be avoided to a large extent by wearing Helmets however it is a common thing in India not to wear Helmet.

Around the World there are many countries that have made laws in this regard. In India, some cities and states have made it compulsory, but much more remains to be done. More than making laws it is important to make people and in particular Youth of today aware that wearing Helmet is the need of the hour. In Pune the traffic is many times quite chaotic and hazardous.

Considering this we decided to educate and advocate the importance of wearing Helmets to the students of our Campus, where large number of students commute and drive a two-wheeler. Many of them do not wear helmets.

The event was organized in the Tathawade Campus which houses Rajarshi Shahu College of Engineering, Rajarshi Shahu College of Pharmacy and Research, Engineering, Rajarshi Shahu College of Education, Jayawant institute of Pharmacy (all together nearly 4000 students). Apart from students there are at least 1000 teaching, non-teaching and support staff working in this campus.

We adopted a novel and innovative idea to propagate our suggestion, which is organizing a Street Play with the theme of "Helmet Please". In all 32 students from MBA & MCA participated in this activity.

They formed 6 different groups and presented the skit on importance of Wearing Helmet and Saving Life. Through the skit students gave message that Lord Ganesh had an option of second head and second life but we have only one head and only one life which is very precious, which is why we need to take proper precaution while driving two-wheelers.

The street play received very good response from the students of all colleges. The Judge, Dr. Neeta Kuche (HoD, Pratibha College, Chinchwad, Pune) encouraged the participants and gave away the prizes to the students.

Towards the end of the program the students took an oath that they will always wear Helmet while driving Two-Wheelers.

Activity Report
On
Importance of Cleanliness
At
Gotumbe Akhada Gram Panchayat
School (Dist. Ahmednagar)
Day/Date: Saturday, 17th January 2015

Report :**Activity Name: Importance of Cleanliness****Day & Date:** Saturday, 17th January 2015.**Time:** 10.00 am to 11.00 a.m.**Venue:** Gotumbe Akhada Gram Panchayat School (Dist. Ahmednagar)**Event Coordinator:** Prof. Harini Rajan and Prof. Deepak Pore**Program Objectives:**

- 1) To spread the importance of Hygiene and Cleanliness amongst the School Children of Rahuri-Khurd Gram Panchayat School (Rural Area in Ahmednagar District, M.S.)

Brief Report:

Any habits, learned in the childhood, stays implanted in the mind. Cleanliness is one of them. It is not a work that needs to be done forcefully. Being clean and tidy is a good habit to lead a healthy life.

With this thought in mind we decided to educate the school children of Rahuri-Khurd Gram Panchayat, a small village in Ahmednagar District, about the importance cleanliness as well as personal hygiene.

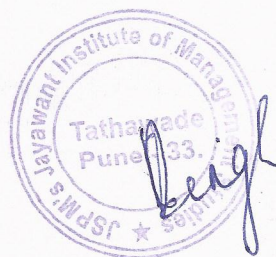

We reached the school at around 9.30 am. The school children from Class I to Class IV were then assembled in the school ground where the session took place. Around 125 students were gathered in the school ground.

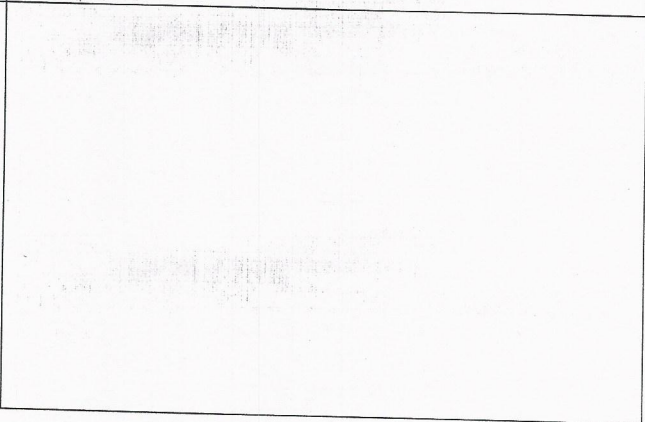

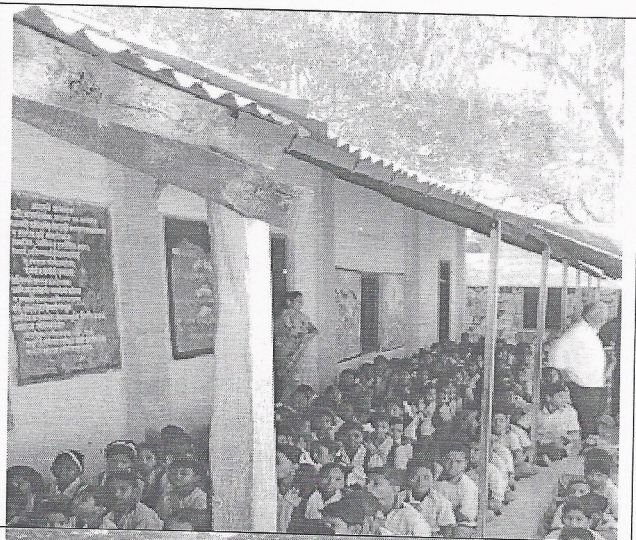

Students were told certain habits like washing hands before meals, bathing, brushing teeth and cutting nails should be practiced from early age since these personal habits are very important. Apart from these all, they were told to be aware and careful about their surroundings too. Since we live in a society, it's our duty to take care of our environment.

Cleanliness should be maintained at every places related to our daily life. Children were told that they spend their maximum time of a day in these places. Such places need to be cleaned in order to maintain a healthy life style.

Childhood is the best time to practice these habits. Being unhygienic can cause several skin diseases or stomach problems. Teachers were requested to teach the students important rules and manners regarding cleaning their surroundings.

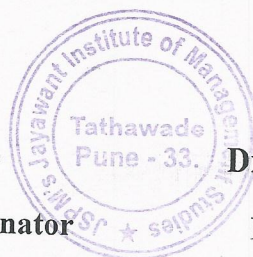

The session ended at around 11 am.

Report on
“Swachh Bharat Abhiyan”

- **Activity Name:** “Swachh Bharat Abhiyan ”
- **Activity Date:** 22th July 2017 at 10:30 am to 3:00 pm
- **Venue:** Prati Shirdi Temple, Shirgaon, Somatane Phata

Objectives:

- To create awareness among the Students towards cleanliness about our surrounding, City & Country.
- To try and change people's attitudes, mindset and behavior for maintaining cleanliness.

Outcomes:

- Cleaner Temple Campus
- Sense of satisfaction for the participants
- Increased awareness about maintaining cleanliness especially in a Public Place

Brief Report:

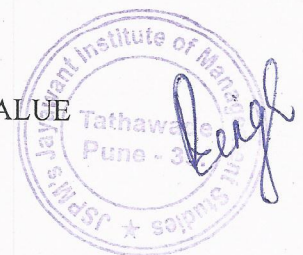

Swachh Bharat Abhiyan is a national level campaign by the Government of India to clean the streets, roads and infrastructure of the country. This campaign was officially launched on 2 October 2014 at Rajghat, New Delhi, where Prime Minister Mr. Narendra Modi himself wielded broom and cleaned a road. The mission was started by Mr. Narendra Modi, the Prime Minister of India, nominating nine famous personalities for this campaign, and they took up the challenge and nominated nine more people and so on (like the branching of a tree). It has been carried forward since then with famous people from all walks of life joining it.

Our Institute organized Cleanliness Drive under “**Swachha Bharat Abhiyaan**” Programme on **22nd July 2017**. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, the students of the MBA and MCA along with teachers were the part of this drive. As a part of this Cleanliness Drive, we decided to clean the “Prati Shirdi Temple” at Shirgaon.

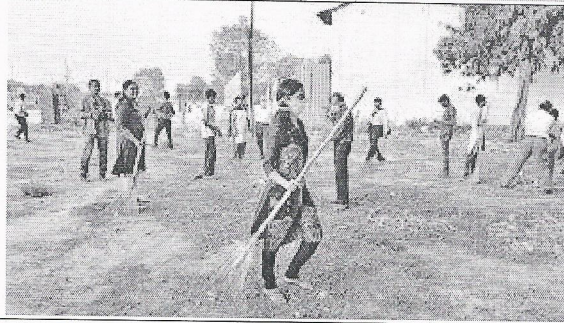

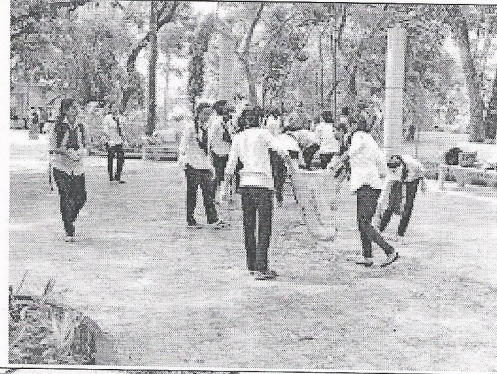

Students picked up the brooms and started their job. Some of the students did the dusting of the Temple. And others started to pick wrappers lying scattered around temple. After collecting the trash, it was deposited in the dustbins. After doing this job for two to three hours, they all assembled in the Temple Canteen. There students were given refreshment.

Activity Details:

“Anti- Addiction- An awakening for a
Better Tomorrow (National Youth Day)”**

Day & Date: Friday, 12th January 2018.

Activity Report

Activity Name: Anti- Addiction- An awakening for a Better Tomorrow (National Youth Day)

Day & Date: Friday, 12th January 2018.

Time: 2pm to 4 p.m.

Venue: Seminar Hall, 3rd Floor, JIMS Building

Event Co-ordinator: Prof. Mangesh Javkhedkar

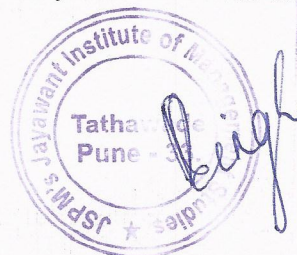

Program Objective: 1) To create awareness about ill-effects of Addictions (viz. Smoking, Drugs, Drinking Alcohol etc).
2) To help students in their overall development as better human beings.

Outcomes: 1) Students came to know different types of addictions
2) Students realized and understood how addiction can be hazardous and sometimes fatal for a human being.
3) Students felt motivated by listening to a Guinness Book of World Record Holder.

Speakers: 1) Mr. Milind Deshmukh (Two Time Guinness Book Record Holder & Social Activist, Chairman of A.N.S PCMC)
2) Mr. Balkrushna Khandagale (Entrepreneur & Chairman of Sanskar Social Foundation)
3) Ms. Nandini Jadhav (Social Activist and Chairperson of A.N.S. Pune City)

The program started with the introduction of the Guests and felicitation of the Guests by Dr. Priyanka Singh (Director) & Dr. Bipin Bankar (HoD- MBA). Students from JIMS, Rajarshi Shahu College of Engineering, Rajarshi Shahu College of Pharmacy and Research, Rajarshi Shahu College of Education as well as DIMR were present to listen and get motivated from the two times Guinness Book record holder Mr. Deshmukh and also from other speakers.

The first speaker Mr. Deshmukh explained expectation of Swami Vivekananda from the youth of this country. He briefly explained the work of Swamiji in the development of the Youth. A video clip highlighting the evil effect of Alcohol addiction on the family members was also shown by him.

Mr. Deshmukh created World Record by walking 65 km by balancing milk bottle on head and again 105km for 21hrs to give message of "*Da Dudha cha, Da Darucha nahi*" (i.e. *Drink Milk not Alcohol*). He also explained different types of new addictions such as excessive use of Mobil Phones, watching T.V, consuming junk food etc.

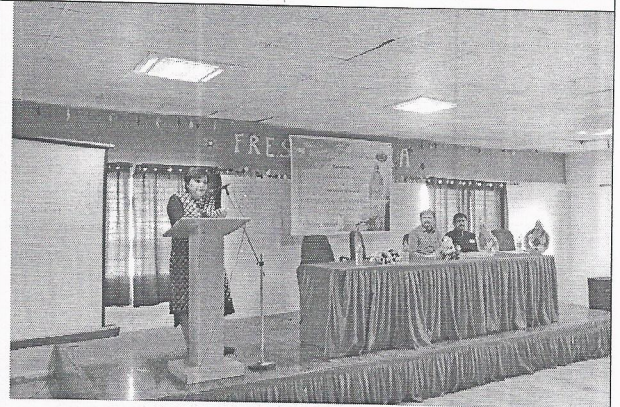

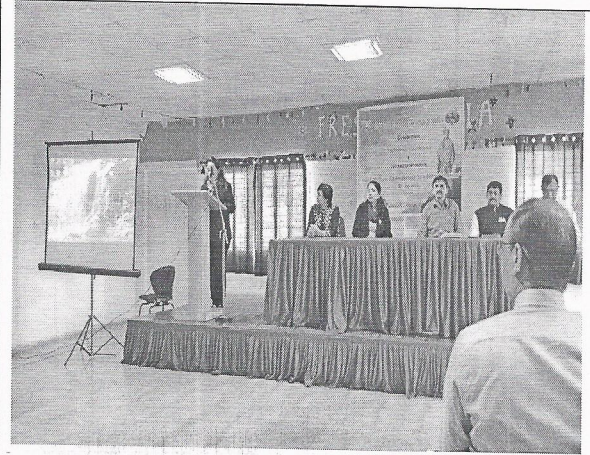

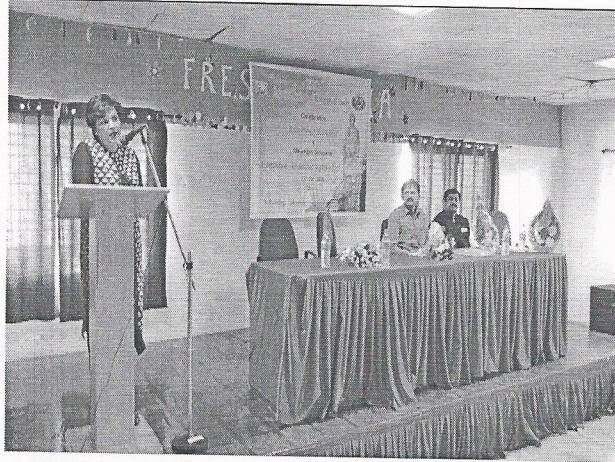

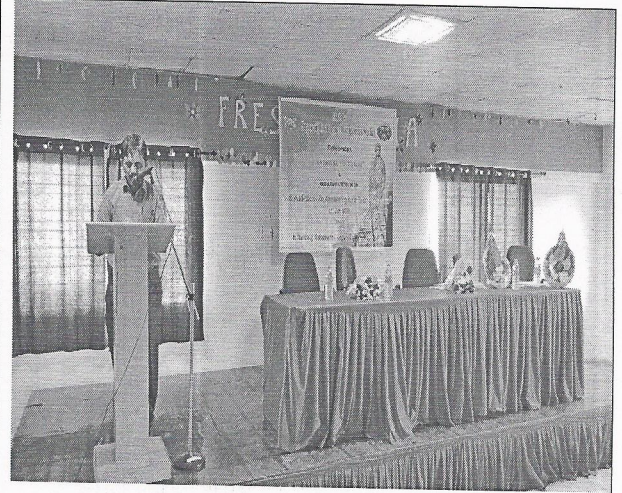

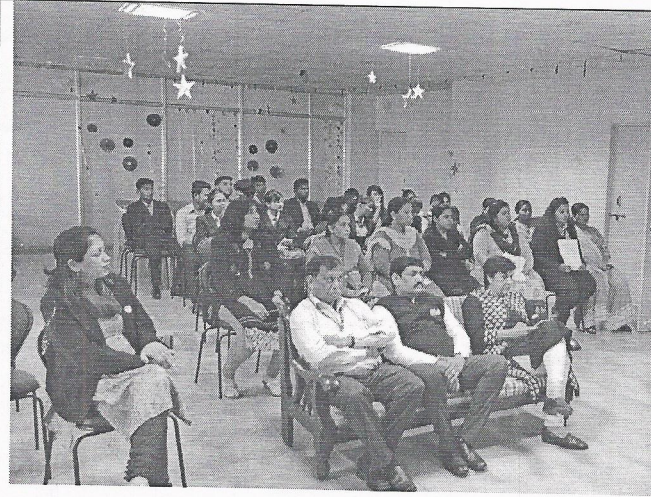

To get rid of these addictions he suggested that, students to exercise on a daily basis and to meditate.

Mr. Khandagale expressed the importance of hard work in life. He shared his own example and efforts taken by him in its bachelor life to become successful. He explained about the work his organization and encouraged the students to do the social work for other and help in his cause. He dwelled upon various reasons behind addiction of people such as long working hours, influence of bad company etc. He invited the students from the college for Free counseling and visit to rehabilitation center.

Ms. Jadhav explained that while doing her Masters in Social Science i.e. [MSW] she came across various people in different areas of work and found that most of the people have been addicted to various things which leads to many family problems. She went on to explain the need of healthy diet and body for youth.

Ms. Shamali and Mr. Lalit (MBA I Students) who conducted the entire program efficiently concluded that the objective of program was fulfilled and they took an oath on behalf of all the students that they will not indulge in any addiction and also will help others to desist from getting addicted. They proposed the vote of thanks and declared the program as over.

The Bus reached the Institute @ 4.00 p.m.

The program was successful in every sense and students came back, enriched in their experience and more knowledgeable about their rich heritage and culture.

The program had exceeded in achieving the desired objectives:

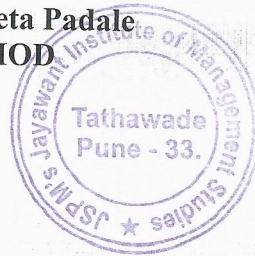

1. By taking students to such a place which has rich historical heritage and making them aware about the same.
2. By arousing interest in such a place they are now willing to learn more about such places or monuments.

On

**“Awareness about E- Payment Channels for Vegetable
Vendors at Chinchwad Market”**

Objectives of the event:

The objective of this event was to make the vegetable vendors and other traders aware about the e-payment services available as an option to cash based payment system.

Outcome of the event:

The students and staff members took voluntary initiative to visit the markets and teach the vendors about the various benefits of the cash less payment mode. They also taught them the process involved in making and accepting the payment.

They were also given the knowledge about the various e-payment mobile apps available in the market.

Event Details:

- **Event Name:** Awareness about E- Payment Channels for Vegetable Vendors at Chinchwad Market
- **Event Date:** 28/02/2018
- **Venue:** Chinchwad Vegetable Market
- **Target Audience:** Vegetable and other Vendors
- **Coordinator:** Prof. Deepak Pandita

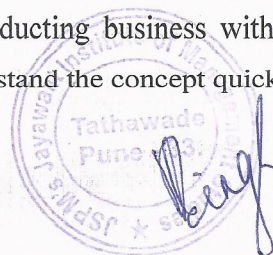

Brief Report:

On occasion of National Science Day, JIMS staff members and students jointly organized a voluntary effort for outdoor drive to market. The aim of the drive was to make the vegetable and other vendors aware about the cashless modes available for payment.

On the designated day all the team members (Staff, Students and Employees of Pure Technology) proceeded to Chinchwad Market.

In the recent past many of the small vendors suffered in their business transactions due to Demonetization. In order to cope up with the increasing focus on using non-cash options we had decided to educate that section of society which hereto were dealing only in cash.

We contacted and explained the various modes/channels for conducting business without cash. Demo was given to traders and vendors which helped them to understand the concept quickly.

“Tree Plantation”

(18 March 2018)

Venue : Durga Hills, Akurdi, Pune

Objectives of the Activity: Induce Environmental Awareness amongst the students and faculty members

Outcomes of the Session / Activity:

- Increased Environmental Awareness
- Connecting with Nature
- Commitment towards conservation of Trees

Brief Report:

On 18 March 2018 a team of 27 students along with 2 faculty members went to Durga Hills and participated in this tree plantation program. Prof. Kamlesh Meshram took the initiative in organizing the "Tree Plantation Program". The event was organized in collaboration with M/s. Avirat Infotech, Pune. They wholeheartedly supported the activity along with their employees.

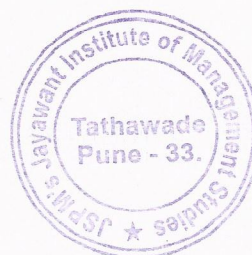

In the morning 9:15 AM, our team reached Durga Hills. After the initial introduction amongst the students and Avirat employees, we proceeded to the main agenda.

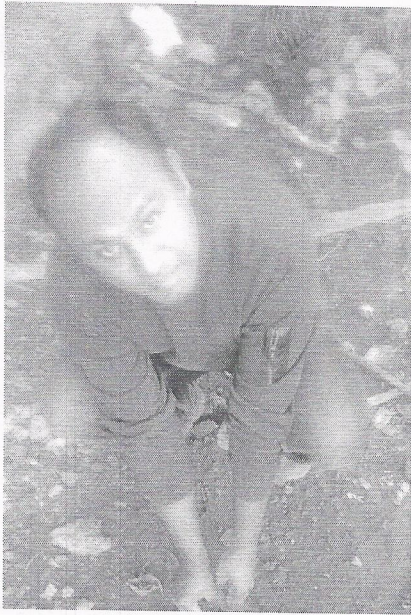

The students were actively participating in the activity. Twenty Five saplings were planted on the Hill. The team members assured that proper care will be taken by them regarding watering of the plants. The program ended at 11.00 am.

Vote of thanks proposed by Prof. Kamlesh Meshram.

“Know Your Bharat ”

21st March 2018

Activity Report

Activity Name: Know Your Bharat

Day & Date: Wednesday, 21st March 2018.

Time: 8.30 am to 4.00 p.m.

Venue: Lohgad Fort, Pune

Event Coordinator: Prof. Aditya Katkar

Program Objectives:

1. To make the students aware and gain a first-hand experience of the historical tourist sites in India.
- 2) To make the students experience and to develop closer bonds with contemporary India.

Program Outcome :

1. Students connected with History of India in a better way by visiting to a Historical Place.
2. Students realised the importance of preserving our heritage for the sake of next generation.

We, JSPM's JIMS had organized an event under the aegis of "Know Your Bharat" on Wednesday 21st March 2018. The venue was a historical monument "Lohgad Fort" situated at a distance of nearly 50 kms from Pune. This Fort is one of the oldest Forts in Maharashtra and has a rich legacy.

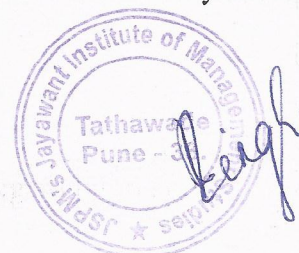

On the day of the program, 35 students who had registered their name, reported at 8.15 am and accompanying them were 5 faculty members (Prof. Aditya Katkar, Prof. Sarika Patil, Prof. Prashant More, Prof. Mangesh Javkhedkar and Prof. Deepak Pandita).

By 8.30 a.m. the college bus left the campus. Everyone had their breakfast in the bus. We reached the base of the fort @ around 10.30 a.m. After a tea break students were once again given important instructions for taking due safety precautions and regarding the objective of the Program.

On the way to the top students were provided information about the structure of the fort viz. bastions, storage systems, ammunition stores, fortification etc.

Once we reached the top of the fort we saw a mosque like structure and cannon (which was being put in place by Archeological Society of India officials. They provided some valuable historical information to our students. Our students then helped them with installation of cannon.

We visited the Temple of Shiva which is located on top of the fort where everyone offered prayers, after which everyone had their lunch.

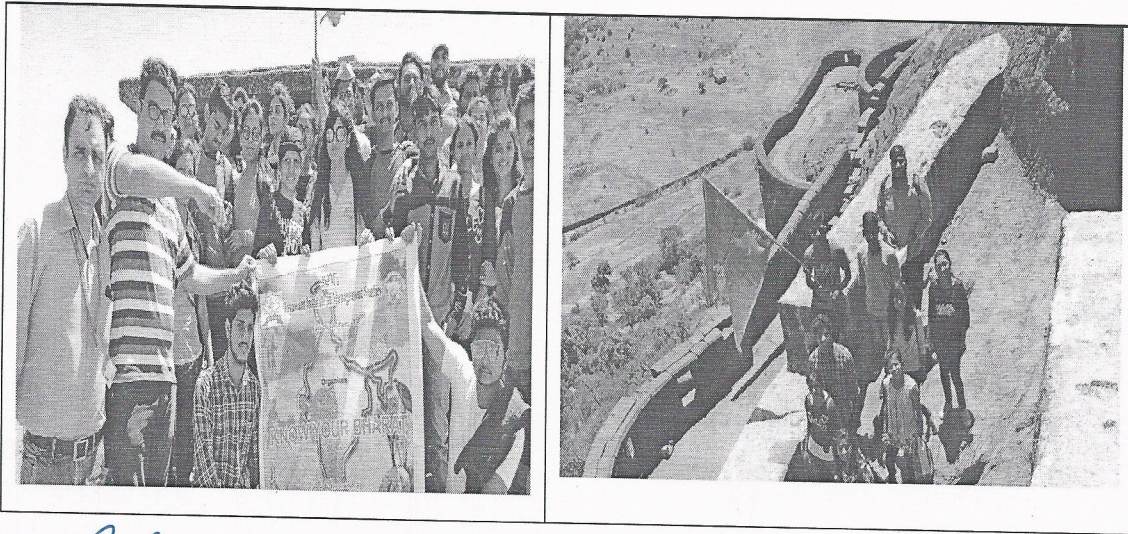

The Bus reached the Institute @ 4.00 p.m.

The program was successful in every sense and students came back, enriched in their experience and more knowledgeable about their rich heritage and culture.

The program had exceeded in achieving the desired objectives:

1. By taking students to such a place which has rich historical heritage and making them aware about the same.
2. By arousing interest in such a place they are now willing to learn more about such places or monuments.
