Since 1962 - the year he became president - India has commemorated Dr Radhakrishnan's birth anniversary by paying tribute to its teachers and gurus on this day. It was in 1962 when Dr Radhakrishnan became the President of India that his birthday came to be observed as Teachers' Day.

"Women's Day – Education- a Weapon"

Date: 8-3-2015

Objective-

The aim of this event was to create awareness about literacy amongst Women (House maid) in a residential society.

Brief –

The aim of the event was to celebrate Women's Day. JIMS celebrated Women's Day by visiting residential society wherein housemaids come for doing household work. The volunteer faculty members of JIMS went to the society and gave session to the housemaids on importance of education for women. The faculty members delivered session to housemaids on how education can change their fortune for good. They were told to let their kids study and not force them in to working like their parents.

There were few maids who were teenagers and left studies to take up house hold work, so our faculty members counseled them to restart education. They motivated them and suggested ways that could be implemented so that they balance their work and education.

Outcome –

There were around 18 maids who attended the counseling. They felt very motivated and came up with their personal queries which were solved by the volunteers.
