7.1.16 Institution functioning is as per professional code

JIMS have a well established functioning mechanism based on professional ethics. Faculty members and students are encouraged to execute their research work as per the professional ethics. For same we use following for detection of plagiarism:

1. Grammarly
2. Turnitin

Faculty members and Students are encouraged to use these assistance solutions to detect mistakes in grammar, spelling, punctuation and style in the document. Grammarly it is well known for considered as world's most effective plagiarism detection solution. The similarities to the contents available on Internet related to academics and prestudent paper are highlighted. It is very easy to use and does not require special training to use.
