Report on "Movie Making Competition"

Objectives of the event:

The objectives of this session were:

1. To develop movie making skills in students
2. To enhance creativity in students with respect to movie making

Outcome of the event:

Movie -Making was a part of INNOVISION 2019. Movie making was an inter-collegiate competition and students were given a theme before hand and were asked to come up with a creative concept that highlights the theme. Students prepared innovative and thoughtful short films and displayed a very good team performance.

Brief Report:

About the event –The movie making competition was a part of INNOVISION 2019.

The theme for movie making was

1. Ban on Plastics
2. Technology Madness.

This competition provided a platform to showcase film-making and acting skills in the students. The movie making competition was organized keeping in mind the on-going trends in our daily lives. Students depicted the same through thought provoking short movies. The students did a very good job on bringing out the themes.
