Poster Making Competition on Technology & Human Life (A.Y. 2020-21)

Event Date & Day – 05 Feb 2021, Wednesday

Venue – Google Meet Application

Time– 1:35 pm to 2:30 pm

Objectives-

- To explode the passion of imagination and inventiveness in the students.
- To provide a platform to the students who could demonstrate their imaginative skills with available material during this difficult time.
- To use a new way of conducting the competition via Google meet application.

About Event –

The theme for the poster making competition was “Technology & Human Life”. It included The themes such as: - Global Village, Technology & Nature, Digital Divides Privacy & Security (public policy & regulations), Human & Machines (Internet of everything) Digital India should be the main focus of the poster.

The students were requested to express their thoughts through paintings and sketches. The young learners displayed their imaginative skills through collection of posters. Students of both the departments (MBA and MCA) participated in the competition with enormous passion and enthusiasm and made beautiful posters which gave the message of the technology & human life. It was a great opportunity to watch these young minds creating and displaying their ideas on paper. The students thoroughly enjoyed the activity. Poster making was done in advance and poster presentation was conducted during Google Meeting Session.
